SUPPLEMENTARY INFORMATION:

Preamble

The Privacy Act (5 U.S.C. 552a (e)(4) and (11)) requires the Department to publish in the **Federal Register** this notice of an altered system of records. The Department’s regulations implementing the Privacy Act are contained in the Code of Federal Regulations (CFR) in 34 CFR part 5b.

The Privacy Act applies to information about an individual that is maintained in a system of records from which information is retrieved by a unique identifier associated with the individual, such as a name or Social Security number (SSN). The information about the individual is called a “record,” and the system, whether manual or computer based, is called a “system of records.”

The Privacy Act requires agencies to publish a notice in the **Federal Register** and to prepare a report to the Administrator of the Office of Information and Regulatory Affairs, OMB whenever the agency publishes a new system of records or makes a significant change to an established system of records. Each agency is also required to send copies to the Chair of the Senate Committee on Homeland Security and Governmental Affairs and the Chair of the House Committee on Oversight and Government Reform. These reports are intended to permit an evaluation of the probable or potential effect of the proposal on the privacy rights of individuals.

This system collects records on individuals who are, were, or may be participants in any of the Student

Financial Assistance Programs under title IV of the HEA, and who request assistance, directly or through a designated third party, from the Ombudsman. The Office of the Student Loan Ombudsman Records system collects the information for a number of purposes related to the duties and responsibilities of the Ombudsman, including: Verifying the identities of individuals; recording complaints and comments; tracking individual cases through final resolution; reporting trends; analyzing the data to recommend improvements in Student Financial Assistance Programs; and assisting in the resolution of disputes.

The Office of the Student Loan Ombudsman Records system consists of a variety of records that identify the individuals’ complaints, requests for assistance, or other inquiries. Records include, but are not limited to: Written documentation of the individual’s complaint, request for assistance, or other comment or inquiry; and information pertaining to the student’s or parent’s title IV Student Financial Assistance Program account(s), such as the person’s name, SSN, date of birth, address, telephone number(s), and Federal Student Aid ID (FSA ID). Additionally, records include the name, address, and phone numbers of school(s), lender(s), secondary holder(s) or lender(s), guaranty agency(ies), servicer(s), and private collection agency(ies), if applicable.

On December 27, 1999, the Department published the first Privacy Act System of Record Notice (SORN) issuance for the Office of the Student Loan Ombudsman Records. This SORN has not been amended since this original date of publication. Given the amount of time that has passed, we have provided a summary of the changes and the corresponding rationale.

First, we altered the system location section because the Office of the Student Loan Ombudsman Records system will now be hosted by a cloud provider.

Second, we amended routine uses (1), (2), and (3). We modified routine use (1), Program Disclosure, to permit disclosures to be made for additional programmatic reasons to private collection agencies and Federal agencies in order to obtain further information about a complaint, request for assistance, or other inquiry before it can be resolved. Routine use (2), Disclosure for Use by Other Law Enforcement Agencies, and routine use (3), Enforcement Disclosure, were both modified to remove the limitation that disclosures could only be made for possible violations of criminal laws and

civil fraud and to permit disclosures to be made for other possible civil or administrative violations of the law.

Third, we added new routine uses (9), (10), and (11). Routine use (9), Borrower Complaint Disclosure, was added to accommodate sharing data regarding borrower complaints that were filed by borrowers with other agencies, such as the Consumer Financial Protection Bureau (CFPB). We added routine use (10), Freedom of Information Act (FOIA) and Privacy Act Advice Disclosure, so that we could make disclosures from this system to OMB and the Department of Justice (DOJ) to obtain advice on FOIA and Privacy Act requests for records in this system of records.

Lastly, we added routine use (11), Disclosure in the Course of Responding to a Breach of Data, to comply with OMB's guidance, in OMB Memorandum 07-16, which advised the Department to add this routine use to appropriate systems.
