SUPPLEMENTARY INFORMATION:

I. Abstract

The National Park Service (NPS) Organic Act of 1916 (Organic Act) (54 U.S.C. 100101 *et seq.*) gives the NPS broad authority to regulate the use of the park areas under its jurisdiction. Consistent with the Organic Act, as well as the Constitution's Establishment Clause which mandates government neutrality and allows the placement of holiday secular and religious displays, the National Christmas Tree Music Program's holiday musical entertainment may include both holiday secular and religious music. To ensure that any proposed music selection is consistent with the Establishment Clause, and presented in a prudent and objective manner as a traditional part of the culture and heritage of this annual holiday event, it must be approved in advance by the NPS.

The NPS National Christmas Tree Music Program at President's Park is intended to provide musical entertainment for park visitors during December on the Ellipse, where in celebration of the holiday season, visitors can observe the National Christmas Tree, visit assorted yuletide displays, and attend musical presentations. Each year, park officials accept applications from musical groups who wish to participate in the annual National Christmas Tree Program. The NPS utilizes Form 10-942, "National Christmas Tree Music Program Application" to accept applications from the public for participation in the program. Park officials utilize the following information from applicants in order to select, plan, schedule, and contact performers for the National Christmas Tree Program:

- Contact name, phone number, and email.
- Group name and location (city, state).
- Preferred performance dates and times.
- Music selections/song list.
- Equipment needs.
- Number of performers.
- Type of group (choir, etc.).
- Acknowledgement of the musical entertainment policy.
