

from, or waiver of, exclusions; and participates in developing standards governing the imposition of these exclusion authorities. The office also oversees OIG's suspension and debarment referral program. OI implements policies and procedures and plans, develops, implements and evaluates all levels of training for OI employees. The staff provides for the personal protection of the Secretary and other Department officials, as needed, and all emergency operations preparedness and response. OI coordinates the adoption of advanced digital forensic acquisition and examination and information security technologies to assist in the investigation, prevention and detection of fraud and abuse; maintains an automated data and management information system used by all OI employees; provides technical expertise on computer applications for investigations; and coordinates and approves investigative computer matches with other agencies.

In addition, the office operates a toll-free hotline to permit individuals to report suspected fraud, waste and abuse within HHS programs.

Dated: March 9, 2016.

Daniel R. Levinson,
Inspector General.
