

and imported peanuts. The initial Board was appointed by the Secretary and announced on December 5, 2002. USDA seeks nominations for individuals to be considered for selection as Board members for a term of office ending June 30, 2019. Selected nominees would replace three producer and three industry representatives who currently serve on the Board and have terms of office that end on June 30, 2016. The Board consists of 18 members representing producers and the industry. In an effort to obtain diversity among candidates, USDA encourages the nomination of men and women of all racial and ethnic groups and persons with a disability.

DATES: Written nominations must be received on or before May 2, 2016.

ADDRESSES: Nominations should be sent to Steven W. Kauffman of the Southeast Marketing Field Office, Marketing Order and Agreement Division, Specialty Crops Program, AMS, USDA, 1124 1st Street South, Winter Haven, FL 33880; Telephone: (863) 837-3375; Fax: (863) 291-8614; Email: Steven.Kauffman@ams.usda.gov.

SUPPLEMENTARY INFORMATION: Section 1308 of the 2002 Farm Bill requires the Secretary of Agriculture to establish and consult with the Board for the purpose of advising the Secretary regarding the establishment of quality and handling standards for all domestic and imported peanuts marketed in the United States.

The 2002 Farm Bill provides that the Board's makeup will include three producers and three peanut industry representatives from States specified in each of the following producing regions: Southeast (Alabama, Georgia, and Florida); Southwest (Texas, Oklahoma, and New Mexico); and Virginia/Carolina (Virginia and North Carolina).

The term "peanut industry representatives" includes, but is not limited to, representatives of shellers, manufacturers, buying points, marketing associations and marketing cooperatives. The 2002 Farm Bill exempted the appointment of the Board from the requirements of the Federal Advisory Committee Act.

USDA invites individuals, organizations, and groups affiliated with the categories listed above to nominate individuals for membership on the Board. Nominees sought by this action would fill two positions in the Southeast region, two positions in the Southwest region, and two positions in the Virginia/Carolina region.

Nominees should complete a Peanut Standards Board Background Information form and submit it to Steven Kauffman at the address

provided in the **ADDRESSES** section above. Copies of this form may be obtained at the Internet site <http://www.ams.usda.gov/about-ams/facas-advisory-councils/peanut-board>, or from the Southeast Marketing Field Office. USDA seeks a diverse group of members representing the peanut industry.

Equal opportunity practices will be followed in all appointments to the Board in accordance with USDA policies. To ensure that the recommendations of the Board have taken into account the needs of the diverse groups within the peanut industry, membership shall include, to the extent practicable, individuals with demonstrated abilities to represent minorities, women, persons with disabilities, and limited resource agriculture producers.

Authority: 7 U.S.C. 7958.

Dated: March 10, 2016.

Elanor Starmer,

Acting Administrator, Agricultural Marketing Service.

Agency Information Collection Activities: Proposed Collection; Comment Request—Application of Schools Applying for Recognition Through HealthierUS School Challenge: Smarter Lunchrooms

AGENCY: Food and Nutrition Service (FNS), USDA.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice invites the general public and other public agencies to comment on this proposed information collection. This collection is a new collection for reviewing and evaluating the practices of schools participating in both the National School Lunch and School Breakfast Programs as a part of their application for recognition through HealthierUS School Challenge: Smarter Lunchrooms. The goal is to highlight and recognize those schools that are achieving success above and beyond Federal meal pattern requirements in the areas of actively implementing smarter lunchroom techniques, Smart Snacks, nutrition education, physical education, local school wellness policies, and other criteria for excellence.

DATES: Written comments must be received on or before May 16, 2016.

ADDRESSES: Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions that were used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments may be sent to: Ebony James, Food and Nutrition Service, U.S. Department of Agriculture, 3101 Park Center Drive, Room 630, Alexandria, VA 22302. Comments may also be submitted via fax to the attention of Ebony James at 703-305-2549 or via email to Ebony.James@fns.usda.gov. Comments will also be accepted through the Federal eRulemaking Portal. Go to <http://www.regulations.gov>, and follow the online instructions for submitting comments electronically.

All written comments will be open for public inspection at the office of the Food and Nutrition Service during regular business hours (8:30 a.m. to 5 p.m. Monday through Friday) at 3101 Park Center Drive, Room 630, Alexandria, Virginia 22302.

All responses to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will be a matter of public record.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of this information collection should be directed to Ebony James at 703-305-2827.

SUPPLEMENTARY INFORMATION:

Title: HealthierUS School Challenge:

Smarter Lunchrooms Application.

Form Number: FNS-779.

OMB Number: Not Yet Assigned.

Expiration Date: Not Yet Determined.

Type of Request: New collection.

Abstract: The HealthierUS School Challenge (HUSC), begun in 2004, serves as a way to motivate and facilitate improvements in nutrition and physical activity in schools by collecting and sharing best practices. It also allows the Food and Nutrition Service (FNS) to showcase schools that have made positive steps in advancing implementation of wellness policies and the latest *Dietary Guidelines for*

Americans and food guidance system. Research supports the use of both incentives and the recognition of good work to promote positive behavior and performance. Therefore, the foundation of the HealthierUS School Challenge: Smarter Lunchrooms (HUSC: SL) initiative is based on four levels of excellence in nutrition and physical activity. Team Nutrition schools that voluntarily submit applications for one of HUSC: SL's four levels of excellence, and meet the HUSC: SL criteria, receive an award plaque, banner, monetary incentive, and national and community recognition of their accomplishments.

This information collection will inform how the Food and Nutrition Service develops policy and technical assistance regarding the school nutrition environment. Collective feedback from the schools submitting application forms will inform FNS on what is actually being implemented at the local level. An assessment of the information

obtained from schools will help FNS to better target efforts to design science-based nutrient standards for school meals, develop training and nutrition education materials in support of Federal child nutrition programs, plan for program enhancements, and share descriptive information about best practices with other schools across the country; and will assist those schools in planning and implementing their own feasible, results-oriented practices. Ultimately, the information on the application forms will help FNS better meet the needs of its customers, strengthen the development of policy directed toward the administration's interest in eliminating childhood obesity and food insecurity, and enhance the health and nutritional status of the US population.

This application is currently approved under OMB Control No. 0584-0524 Generic Clearance to Conduct Formative Research (which expires June 30, 2016). FNS is now seeking approval

for this application in its own information collection.

Affected Public: State, Local, and Tribal Government. Respondent groups identified include school and school district representatives.

Estimated Number of Respondents: FNS anticipates that 1,000 school or school district representatives will voluntarily submit HealthierUS School Challenge: Smarter Lunchrooms applications over a one year period (see chart).

Estimated Number of Responses per Respondent: The school or district representative will be asked to participate in completing one application form.

Estimated Total Annual Responses: 1,000.

Estimated Time per Response: 2 hours.

Estimated Total Annual Burden on Respondents: 2,000 hours.

See the table below for estimated total annual burden for the respondents.

Respondent	Estimated number of respondents	Responses annually per respondent	Total annual responses (Col. bxc)	Estimated average number of hours per response	Estimated total hours (Col. dxe)
Reporting Burden					
School or School District Representative	1,000	1	1,000	2	2,000
Total Reporting Burden	1,000	1,000	2,000

Dated: March 8, 2016.

Audrey Rowe,

Administrator, Food and Nutrition Service.
