

him in 2015 and certified that he does not have diabetic retinopathy. He holds a Class A CDL from New York.

III. Request for Comments

In accordance with 49 U.S.C. 31136(e) and 31315, FMCSA requests public comment from all interested persons on the exemption petitions described in this notice. We will consider all comments received before the close of business on the closing date indicated in the date section of the notice.

FMCSA notes that section 4129 of the Safe, Accountable, Flexible and Efficient Transportation Equity Act: A Legacy for Users requires the Secretary to revise its diabetes exemption program established on September 3, 2003 (68 FR 52441).¹ The revision must provide for individual assessment of drivers with diabetes mellitus, and be consistent with the criteria described in section 4018 of the Transportation Equity Act for the 21st Century (49 U.S.C. 31305).

Section 4129 requires: (1) Elimination of the requirement for 3 years of experience operating CMVs while being treated with insulin; and (2) establishment of a specified minimum period of insulin use to demonstrate stable control of diabetes before being allowed to operate a CMV.

In response to section 4129, FMCSA made immediate revisions to the diabetes exemption program established by the September 3, 2003 notice. FMCSA discontinued use of the 3-year driving experience and fulfilled the requirements of section 4129 while continuing to ensure that operation of CMVs by drivers with ITDM will achieve the requisite level of safety required of all exemptions granted under 49 U.S.C. 31136 (e).

Section 4129(d) also directed FMCSA to ensure that drivers of CMVs with ITDM are not held to a higher standard than other drivers, with the exception of limited operating, monitoring and medical requirements that are deemed medically necessary.

The FMCSA concluded that all of the operating, monitoring and medical requirements set out in the September 3, 2003 notice, except as modified, were in compliance with section 4129(d). Therefore, all of the requirements set out in the September 3, 2003 notice, except as modified by the notice in the **Federal Register** on November 8, 2005 (70 FR 67777), remain in effect.

¹ Section 4129(a) refers to the 2003 notice as a "final rule." However, the 2003 notice did not issue a "final rule" but did establish the procedures and standards for issuing exemptions for drivers with ITDM.

IV. Submitting Comments

You may submit your comments and material online or by fax, mail, or hand delivery, but please use only one of these means. FMCSA recommends that you include your name and a mailing address, an email address, or a phone number in the body of your document so that FMCSA can contact you if there are questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov> and in the search box insert the docket number FMCSA-2015-0343 and click the search button. When the new screen appears, click on the blue "Comment Now!" button on the right hand side of the page. On the new page, enter information required including the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the facility, please enclose a stamped, self-addressed postcard or envelope.

We will consider all comments and material received during the comment period. FMCSA may issue a final determination at any time after the close of the comment period.

V. Viewing Comments and Documents

To view comments, as well as any documents mentioned in this preamble, go to <http://www.regulations.gov> and in the search box insert the docket number FMCSA-2015-0343 and click "Search." Next, click "Open Docket Folder" and you will find all documents and comments related to this notice.

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2015-0124]

Potential Benefits and Feasibility of Voluntary Compliance; Public Listening Sessions

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of public listening sessions; request for comments.

SUMMARY: FMCSA announces two public listening sessions, on April 1 and 25, 2016, to solicit information on the potential benefits and feasibility of voluntary compliance and ways to credit carriers and drivers who initiate and establish programs that promote safety beyond the standards established in FMCSA regulations. The recently enacted Fixing America's Surface Transportation (FAST) Act mandates that the FMCSA Administrator allow recognition for a motor carrier that installs advanced safety equipment, enhanced driver fitness measures, fleet safety management tools, technologies, and programs and other standards for use by motor carriers to receive recognition, including credit or an improved Safety Measurement System (SMS) percentile. FMCSA is soliciting comments to develop a process for identifying and reviewing these opportunities to provide credit to those carriers and drivers who go above and beyond the regulatory requirements. The listening sessions are intended to provide interested parties with an opportunity to share their views on this topic with Agency representatives, along with any data or analysis they may have. All comments will be transcribed and placed in the docket referenced above for FMCSA's consideration. The entire proceedings of both meetings will be webcast.

DATES: This docket will remain open indefinitely.

The listening sessions will be held on Friday, April 1, 2016, from 10:00 a.m. to Noon and 1:15 p.m. to 3 p.m., Local Time, and on Monday, April 25, 2016, from 9:30 a.m. to 11:30 a.m. and 1:30 p.m. to 3:30 p.m., Local Time. If all interested parties have had the opportunity to comment, the sessions may conclude early.

ADDRESSES: The April 1, 2016, listening session will be held at the Mid-America Trucking Show at the Kentucky Expo Center, 938 Phillips Lane, Louisville, KY. The April 25, 2016, session will be held at the Commercial Vehicle Safety Alliance Spring 2016 Workshop at the Sheraton Grand Chicago, 301 East North Water Street, Chicago, IL. In addition to attending the session in person, the Agency offers several ways to provide comments, as described below.

Internet Address for Live Webcast. FMCSA will post specific information on how to participate via the Internet on the FMCSA Web site at www.fmcsa.dot.gov/calendar in advance of the listening session.

You may submit comments identified by Docket Number FMCSA-2015-0124 using any of the following methods:

• *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.

• *Mail:* Docket Management Facility, U.S. Department of Transportation, Room W12-140, 1200 New Jersey Avenue SE., West Building, Ground Floor, Washington, DC 20590-0001.

• *Hand Delivery or Courier:* West Building, Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

• *Fax:* 202-493-2251.

FOR FURTHER INFORMATION CONTACT:

For information about the listening sessions: Ms. Shannon L. Watson, Senior Policy Advisor, Federal Motor Carrier Safety Administration, 1200 New Jersey Avenue SE., Washington, DC 20590 or by telephone at 202-366-2551.

If you need sign language interpretation or any other accessibility accommodation, please contact Ms. Watson by Friday, March 18, 2016, to allow us to arrange for such services. FMCSA cannot guarantee that interpreter services requested on short notice will be provided.

Privacy Act

In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its rulemaking process. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL-14 FDMS), which can be reviewed at www.dot.gov/privacy.

I. Background

The trucking and bus industries and the U.S. Department of Transportation have invested in the research, development, and testing of strategies and technologies to reduce truck and bus crashes. In September 2014, the Commercial Vehicle Safety Alliance (CVSA) submitted a request to FMCSA to consider initiating a pilot program to investigate the benefits and feasibility of a voluntary compliance program. Citing research that has been underway for several years, the Agency established an Alternative Compliance team in December 2014, the goal of which was to analyze the concept and gather data to support how it might be developed and implemented.

On March 30-31, 2015, the Agency's Motor Carrier Safety Advisory Committee (MCSAC) deliberated on the potential benefits and feasibility of a voluntary compliance program and ways to credit carriers and drivers who

initiate and establish programs that promote safety beyond FMCSA's regulations. MCSAC completed its deliberations during its June 15-16, 2015, meeting and subsequently submitted its final report on Task 15-1 to the Agency on September 21, 2015. A copy of the report is posted at the MCSAC's Web site, <https://www.fmcsa.dot.gov/mcsac>.

On April 23, 2015 (80 FR 22770), the Agency published a notice requesting responses to specific questions and any supporting data the Agency should consider in the potential development of a Beyond Compliance program.¹ The notice indicated that Beyond Compliance would include voluntary programs implemented by motor carriers that exceed regulatory requirements and improve the safety of commercial motor vehicles and drivers operating on the Nations' roadways by reducing the number and severity of crashes. Beyond Compliance would not result in regulatory relief.

Section 5222 of the recently enacted the Fixing America's Surface Transportation Act (Pub. L. 114-94, Dec. 4, 2015, 129 Stat. 1312) (FAST Act) mandates that the FMCSA Administrator allow recognition for a motor carrier that installs advanced safety equipment, enhanced driver fitness measures, fleet safety management tools, technologies, and programs and other standards for use by motor carriers to receive recognition, including credit or an improved SMS percentile. This provision requires the Administrator, after providing notice and comment, to develop a process for identifying and reviewing these opportunities to provide credit to those carriers and drivers who go above and beyond the regulatory requirements.

FMCSA held similar listening sessions on January 12, 2016, at the American Bus Association's (ABA) Marketplace in Louisville, Kentucky, and on January 31, 2016, at the United Motorcoach Association (UMA) Expo 2016 in Atlanta, Georgia.

II. Meeting Participation and Information FMCSA Seeks From the Public

The listening session is open to the public. Speakers should try to limit their remarks to 3-5 minutes. No preregistration is required. Attendees may submit material to the FMCSA staff at the session for inclusion in the public docket referenced at the beginning of this notice.

¹ See <https://www.gpo.gov/fdsys/pkg/FR-2015-04-23/pdf/2015-09463.pdf> or <https://www.fmcsa.dot.gov/regulations/notices/2015-09463>.

Those participating in the webcast will have the opportunity to submit comments online that will be read aloud at the session along with those comments made in the meeting rooms in Louisville and Chicago. FMCSA will docket the transcripts of the webcast, a separate transcription of each listening session prepared by an official court reporter, and all other materials submitted to FMCSA personnel.

FMCSA would like to know the views of the public on the concept, with any data or analysis to support it, with regard to 3 basic areas: (1) What voluntary technologies or safety program best practices would be appropriate for beyond compliance; (2) What type of incentives would encourage motor carriers to invest in technologies and best practices programs; and (3) How FMCSA would verify that the voluntary technologies or safety programs are being implemented.

[Docket No. FMCSA-2014-0111]

Hours of Service of Drivers: Application for Renewal of Illumination Fireworks, LLC and ACE Pyro, LLC Exemptions From the 14-Hour Rule During Independence Day Celebrations

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of applications for renewal of exemption; request for comments.

SUMMARY: FMCSA announces that it has received an application from Illumination Fireworks, LLC and ACE Pyro, LLC (applicants) for a renewal of their exemption from the requirement that drivers of commercial motor vehicles (CMVs) must not drive following the 14th hour after coming on duty. The applicants requested the exemption for the period of June 28–July 8, for the next five years (2016–2020) inclusive. The applicants were previously granted an exemption for drivers of 50 CMVs during the Independence Day period of June 28, 2015–July 8, 2015. The exemption would apply solely to the operation of drivers of 50 CMVs employed by the applicants in conjunction with staging

fireworks shows celebrating Independence Day during the proposed periods. During these periods, the CMV drivers employed by the applicants would be allowed to exclude off-duty and sleeper-berth time of any length from the calculation of the 14 hours. These drivers would not be allowed to drive after accumulating a total of 14 hours of on-duty time, following 10 consecutive hours off duty, and would continue to be subject to the 11-hour driving time limit, and the 60- and 70-hour on-duty limits. The applicants maintain that the terms and conditions of the limited exemption would ensure a level of safety equivalent to or greater than the level of safety achieved without the exemption.

DATES: Comments must be received on or before April 15, 2016.

ADDRESSES: You may submit comments bearing the Federal Docket Management System (FDMS) Docket ID FMCSA-2014-0111 using any of the following methods:

- *Federal eRulemaking Portal:* www.regulations.gov. Follow the online instructions for submitting comments.
