For the Quarterly Survey of Property Tax Collections (Form F-71) we will mail letters quarterly to a sample of approximately 5,500 local tax collection agencies known to have substantial collections of property tax requesting their online data submissions.

For the Quarterly Survey of State Tax Collections (F-72) we will mail letters to each of the 50 state governments quarterly requesting their online data submissions or continued coordinated submission through the state government revenue office.

II. Method of Collection

F-71 and F-73 survey data will be collected via the Internet. Data for the F-72 survey are collected via the Internet or compilation of data in coordination with the state government revenue office.

In addition to reporting current quarter data, respondents may report data for the previous eight quarters or submit revisions to their previously submitted data. In the event that a respondent cannot report online, they may request a form as a last resort.

In those instances when we are not able to obtain a response, we conduct follow-up operations using email and phone calls. Nonresponse weighting adjustments are used to adjust for any unreported units in the sample from the latest available data.

Foreign-Trade Zones Board

[B-14-2016]

Foreign-Trade Zone (FTZ) 7— Mayaguez, Puerto Rico, Notification of Proposed Production Activity, Lilly Del Caribe, Inc., Subzone 7K (Pharmaceutical Products), Carolina and Guayama, Puerto Rico

The Puerto Rico Industrial Development Company, grantee of FTZ 7, submitted a notification of proposed production activity to the FTZ Board on behalf of Lilly Del Caribe, Inc. (Lilly), located within Subzone 7K in Carolina and Guayama, Puerto Rico. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on March 08, 2016.

Lilly already has FTZ authority for the production of finished pharmaceuticals and their intermediates, including the active ingredients humalog and duloxetine. The current request would add finished products and foreign-status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ activity would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Lilly from customs duty payments on the foreign-status components used in export production. On its domestic sales, Lilly would be able to choose the duty rate during customs entry procedures that applies to finished abemaciclib capsules (breast cancer treatment) and baricitinib tablets (rheumatoid arthritis treatment) (duty

free) for the foreign-status inputs noted below and in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include abemaciclib and baricitinib active ingredients (duty rate, 6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is May 3, 2016.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Diane Finver at Diane.Finver@trade.gov or (202) 482-1367.

Dated: March 17, 2016.
