SUPPLEMENTARY INFORMATION:

Paperwork Reduction Act

The collection of information contained in these final regulations revises a collection of information that has been reviewed and approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507(d)) under control number 1545–2019. The revised collection of information in these final regulations is in §§ 1.332–6, 1.351–3, and 1.368–3. By requiring that taxpayers separately report the fair market value and basis of property (including stock) described in section 362(e)(1)(B) and in 362(e)(2)(A) that is transferred in a tax-free transaction, this revised collection of information aids in identifying transactions within the scope of sections 334(b)(1)(B), 362(e)(1), and 362(e)(2) and thereby facilitates the ability of the IRS to verify that taxpayers are complying with sections 334(b)(1)(B), 362(e)(1), and 362(e)(2). The respondents will be corporations and their shareholders. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

Books or records relating to a collection of information may be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by section 6103.

Background

Sections 334(b)(1)(B) and 362(e)(1) (the anti-loss importation provisions) were added to the Code by the American Jobs Creation Act of 2004 (Pub. L. 108–357, 188 Stat. 1418) to prevent erosion of the corporate tax base when a person (Transferor) transfers property to a corporation (Acquirer) and the result would be an importation of loss into the federal tax system. Proposed regulations under sections 334(b)(1)(B) and 362(e)(1) were published in the Federal Register (78 FR 54971) on September 9, 2013 (the 2013 NPRM). Three written comments were submitted on the 2013 NPRM; no public hearing was requested or held. Additionally, on March 10, 2005, the Treasury Department and the IRS published in the Federal Register (70 FR 11903–01) a notice of proposed rulemaking (the 2005 NPRM) that, among other things, proposed amendments to the regulations under sections 332 and 351 to reflect statutory changes. No comments were received with respect to the amendments reflecting statutory changes to section 332 and 351, although several comments were received with respect to other aspects of the 2005 NPRM. The 2005 NPRM’s proposed amendments that reflect statutory changes are included in this final rule.

The comments with respect to the 2013 NPRM, and the respective responses of the Treasury Department and the IRS, are described in the Summary of Comments and Explanation of Provisions that follows the Summary of the 2013 NPRM.

SUMMARY OF THE 2013 NPRM

1. General Application of Sections and Interaction With Other Law

The 2013 NPRM provided specific rules to implement the statutory framework of the anti-loss importation provisions, such as rules for identifying “importation property” and for determining whether the transfer of that property occurs in a transaction subject to the anti-loss importation provisions (designated a “loss importation
