II. Background

The NRC is requesting public comments on a preliminary draft action plan in an effort to gain an understanding of stakeholder perspectives of the digital I&C regulatory challenges, priorities and potential solutions. The development of this action plan was directed by the Commission in SRM-15-0106 (February 25, 2016) (ADAMS Accession No. ML16056A614). In order to reach the widest audience, the action plan will be provided via email and posted on the NRC public Web site, as well as published in the **Federal Register**. Additionally, a public meeting on the preliminary draft action plan will be held on March 30, 2016, at NRC Headquarters. Additional information concerning the public meeting can be found on NRC’s Public Meeting Schedule Web page; <http://meetings.nrc.gov/pmns/mtg>.

The NRC staff has developed the preliminary draft action plan to provide a strategy to modernize the digital I&C regulatory infrastructure in order to improve the predictability and consistency of the process for licensing and oversight of industry stakeholders. Improvements and modernization of the NRC’s digital I&C regulatory processes will improve efficiency of the oversight of licensee implementation of digital I&C equipment.

This preliminary draft action plan has not been subject to all levels of NRC management review. Accordingly, it may be incomplete or in error in one or more respects and may be subject to further revision before the staff presents an action plan regarding an integrated strategy to modernize the NRC’s digital instrumentation and controls regulatory infrastructure to the Commission in a SECY paper (currently scheduled to be

provided to the Commission in May 2016).

Because of the schedule for development of the plan, the NRC will not issue a comment response document providing formal written responses to comments which are received.

Dated at Rockville, Maryland, this 24th day of March, 2016.

For the Nuclear Regulatory Commission.

Sheldon D. Stuchell,

Chief, Generic Communications Branch, Division of Policy and Rulemaking, Office of Nuclear Reactor Regulation.

Applicants' Representations

1. NexPoint Capital, a Delaware corporation, is an externally managed, non-diversified, closed-end management investment company that has elected to be regulated as a BDC under the Act.¹ NexPoint Capital's investment objective is to generate current income and capital appreciation primarily through investments in middle-market healthcare companies, middle-market companies in non-healthcare sectors, syndicated floating rate debt of large nonpublic and public

companies and collateralized loan obligations. NexPoint Capital's board of directors currently consists of six members, five of whom are not "interested persons" of NexPoint Capital within the meaning of section 2(a)(19) of the Act (the "Independent Directors").

2. NHF, a Delaware statutory trust, is an externally managed, non-diversified, closed-end management investment company registered under the Act. NHF's investment objective is to generate current income and capital appreciation primarily through investments in: (i) Secured and unsecured floating and fixed rate loans; (ii) bonds and other debt obligations; (iii) debt obligations of stressed, distressed and bankrupt issuers; (iv) structured products, including but not limited to, mortgage-backed and other asset-backed securities and collateralized debt obligations; and (v) equities. NHF's board of trustees currently consists of six members, five of whom are not "interested persons" of NHF within the meaning of section 2(a)(19) of the Act (the "Independent Trustees").

3. NexPoint Advisors, a Delaware limited partnership, is registered under the Investment Advisers Act of 1940 ("Advisers Act") and is the investment adviser of NexPoint Capital and NHF.

4. The Existing Private Funds are entities formed under the laws of Delaware or under the laws of the Cayman Islands. In reliance on the exclusion from the definition of "investment company" provided by section 3(c)(1) or 3(c)(7) of the Act, neither of the Existing Private Funds will be registered under the Act. Highland Capital Management, L.P., registered as an investment adviser under the Advisers Act, serves as the investment adviser to HMSCF, and Acis Capital Management, L.P., registered as an investment adviser under the Advisers Act, serves as the investment sub-adviser to HMSCF. Highland Capital Healthcare Advisors, L.P., registered as an investment adviser under the Advisers Act, serves as the investment adviser to HCHP. NexPoint Advisors expects that certain portfolio companies that are appropriate investments for a Private Fund² may

also be appropriate for one or more Investment Companies,³ with certain exceptions based on available capital or diversification.

5. Applicants seek an order ("Order")⁴ to allow an Investment Company to co-invest in the same issuers of securities with one or more other Investment Companies or Private Funds (the "Co-Investment Program") with which it may be prohibited from co-investing by reason of section 17(d) or section 57 of the Act. For purposes of the application, a "Co-Investment Transaction" means any transaction in which an Investment Company (or one of its Wholly Owned Investment Subsidiaries, as defined below) participates together with one or more other Investment Companies and/or Private Funds in reliance on the requested Order. "Potential Co-Investment Transaction" means any investment opportunity in which an Investment Company (or a Wholly Owned Investment Subsidiary) could not participate together with one or more other Investment Companies and/or Private Funds without obtaining and relying on the Order.

6. Each of the Investment Companies may, from time to time and as applicable, form a special purpose subsidiary (a "Wholly-Owned Investment Subsidiary").⁵ Wholly-Owned Investment Subsidiaries would be prohibited from investing in a Co-

and is registered as an investment adviser under the Advisers Act.

³ The term "Investment Company" means any Existing Investment Company and any future closed-end investment company that (a) is registered under the Act or has elected to be regulated as a BDC under the Act, (b) will be advised by an Adviser, and (c) that intends to participate in the Co-Investment Program.

⁴ All existing entities that currently intend to rely on the Order have been named as Applicants and any entities that may rely on the Order in the future will comply with the terms and conditions of the application.

⁵ The term "Wholly-Owned Investment Subsidiary" means an entity (a) whose sole business purpose is to hold one or more investments and issue debt on behalf of such Investment Company, to obtain debt financing for those investments and, in the case of a Wholly Owned Investment Subsidiary organized as a small business investment company under the Small Business Investment Act of 1958 ("SBA Act"), to maintain a license under the SBA Act and issue debentures guaranteed by the Small Business Administration; (b) that is wholly owned by such Investment Company (with the applicable Investment Company at all times holding directly or indirectly, beneficially and of record, 100% of the voting and economic interests); (c) with respect to which the board of directors or board of trustees, as applicable, of such Investment Company has the sole authority to make all determinations with respect to the Wholly Owned Investment Subsidiary's participation under the conditions to the application; and (d) that is an entity that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act.

¹ Section 2(a)(48) defines a BDC to be any closed-end investment company that operates for the purpose of making investments in securities described in sections 55(a)(1) through 55(a)(3) of the Act and makes available significant managerial assistance with respect to the issuers of such securities.

² "Private Fund" means any Existing Private Fund or any entity (a) whose investment adviser is an Adviser, (b) that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act, and (c) that intends to participate in the Co-Investment Program (as defined below). "Adviser" means (a) NexPoint Advisors, (b) the Current Advisers to Private Funds, and (c) any future investment adviser that controls, is controlled by or is under common control with any of NexPoint Advisors or the Current Advisers to Private Funds

Investment Transaction with any other Investment Company or Private Fund because the Wholly-Owned Investment Subsidiary would be a company controlled by the applicable Investment Company for purposes of section 17(d) and section 57(a)(4) and rule 17d-1. Applicants request that any Wholly Owned Investment Subsidiary be permitted to participate in Co-Investment Transactions in lieu of the Investment Company of which it is a subsidiary and that the participation in any such transaction by any Wholly Owned Investment Subsidiary be treated, for purposes of the Order, as though the Investment Company of which it is a subsidiary were participating directly. Applicants represent that this treatment is justified because any Wholly Owned Investment Subsidiary would have no purpose other than serving as a holding and financing vehicle for the applicable Investment Company's investments and, therefore, no conflicts of interest could arise between an Investment Company and its Wholly Owned Investment Subsidiary. The board of directors or board of trustees, as applicable, of an Investment Company would make all relevant determinations under the conditions with regard to the participation of such Investment Company's Wholly Owned Investment Subsidiary in a Co-Investment Transaction, and the board of directors or the board of trustees, as applicable, of an Investment Company would be informed of, and take into consideration, any proposed use of any Wholly Owned Investment Subsidiary in such Investment Company's place. If an Investment Company proposes to participate in the same Co-Investment Transaction with any of its Wholly Owned Investment Subsidiaries, the board of directors or the board of trustees, as applicable, of such Investment Company will also be informed of, and take into consideration, the relative participation of the Investment Company and the Wholly Owned Investment Subsidiary.

7. Applicants represent that the Adviser of another Investment Company or a Private Fund will refer to the Adviser of an Investment Company all Potential Co-Investment Transactions within such Investment Company's Objectives and Strategies⁶ that are

⁶ "Objectives and Strategies" means the Investment Company's investment objectives and strategies, as described in its registration statement on Form N-2 and other filings made with the Commission by such Investment Company under the Securities Act of 1933, as amended ("1933 Act"), or the Act, any reports filed by such Investment Company with the Commission under

considered for such other Investment Company or Private Fund, and such investment opportunities may result in a Co-Investment Transaction. For each such referral, the applicable Adviser will consider the investment objective, investment policies, investment position, investment strategies, investment restrictions, regulatory and tax requirements, capital available for investment and other pertinent factors applicable to such Investment Company. Likewise, when selecting investments for a Private Fund, the applicable Adviser to the Private Fund will select investments separately for the Private Fund, considering the investment objective, investment policies, investment position, investment strategies, investment restrictions, regulatory and tax requirements, capital available for investment and other pertinent factors applicable to such Private Fund. Each Co-Investment Transaction and the proposed allocation of such Co-Investment Transaction would be approved prior to the actual investment by the required majority (within the meaning of section 57(o) of the Act) (the "Required Majority")⁷ of the Investment Company's board of directors or board of trustees, as applicable.

8. Other than pro rata dispositions and follow-on investments⁸ as provided in conditions 7 and 8, and after making the determinations required in conditions 1 and 2(a), the applicable Adviser will present each Potential Co-Investment Transaction and the proposed allocation to the directors or trustees of the applicable Investment Company who are eligible to vote under section 57(o) of the Act ("Eligible Directors"), and the Required Majority will approve each Co-Investment Transaction prior to any investment by such Investment Company.

9. With respect to the pro rata dispositions and follow-on investments provided in conditions 7 and 8, the Investment Companies may participate in a pro rata disposition or follow-on investment without obtaining prior approval of the Required Majority if, among other things: (i) The proposed participation of such Investment

the Securities Exchange Act of 1934, as amended, or the Act and such Investment Company's reports to stockholders.

⁷ In the case of an Investment Company that is a registered closed-end fund, the directors or trustees that make up the Required Majority will be determined as if the Investment Company were a BDC subject to section 57(o).

⁸ "Follow-on investment" means an additional investment in an existing portfolio company, including through the exercise of warrants, conversion privileges or other rights to acquire securities of the portfolio company.

Company and each other Investment Company or Private Fund in such disposition or follow-on investment is proportionate to its outstanding investments in the issuer immediately preceding the disposition or follow-on investment, as the case may be; and (ii) the board of directors or board of trustees, as applicable, of the Investment Company has approved such Investment Company's participation in pro rata dispositions and follow-on investments as being in the best interests of the Investment Company. If such board does not so approve, any such disposition or follow-on investment will be submitted to the Investment Company's Eligible Directors. The board of directors or board of trustees, as applicable, of an Investment Company may at any time rescind, suspend or qualify its approval of pro rata dispositions and follow-on investments, with the result that all dispositions and/or follow-on investments must be submitted to the Eligible Directors of such Investment Company.

10. No Independent Director or Independent Trustee of an Investment Company will have a financial interest in any Co-Investment Transaction, other than indirectly through share ownership in the Investment Company.

11. Under condition 14, if NexPoint Advisors or its principals, or any person controlling, controlled by, or under common control with NexPoint Advisors or its principals, and the Private Funds (collectively, the "Holders") own in the aggregate more than 25 percent of the outstanding voting shares of an Investment Company (the "Shares"), then the Holders will vote such Shares as directed by an independent third party when voting on matters specified in the condition. Applicants believe that this condition will ensure that the Independent Directors or Independent Trustees will act independently in evaluating the Co-Investment Program, because the ability of NexPoint Advisors or its principals to influence the Independent Directors or Independent Trustees by a suggestion, explicit or implied, that the Independent Directors or Independent Trustees can be removed will be limited significantly. Applicants represent that the Independent Directors or Independent Trustees shall evaluate and approve any independent third party, taking into account its qualifications, reputation for independence, cost to the shareholders, and other factors that they deem relevant.

Applicants' Legal Analysis

1. Section 17(d) of the Act and rule 17d-1 under the Act prohibit affiliated

persons of a registered investment company from participating in joint transactions with the company or a company controlled by such company unless the Commission has granted an order permitting such transactions. Section 57(a)(4) of the Act prohibits certain affiliated persons of a BDC from participating in joint transactions with the BDC (or a company controlled by such company) in contravention of rules as prescribed by the Commission. Section 57(i) of the Act provides that, until the Commission prescribes rules under section 57(a)(4), the Commission's rules under section 17(d) of the Act applicable to registered closed-end investment companies will be deemed to apply to BDCs. Because the Commission has not adopted any rules under section 57(a)(4), rule 17d-1 applies to BDCs. NexPoint Advisors and any other Investment Company or Private Fund that it advises could be deemed to be persons related to an Investment Company in a manner described by section 2(a)(3) or section 57(b), as applicable, and, therefore, prohibited by section 17(d) or section 57(a)(4), as applicable, and rule 17d-1 from participating in the Co-Investment Program. In addition, because the other Advisers are "affiliated persons" of NexPoint Advisors, such Advisers and the Investment Companies and Private Funds advised by any of them could be deemed to be persons related to such Investment Company in a manner described by section 2(a)(3) or section 57(b), as applicable, and also prohibited from participating in the Co-Investment Program. Finally, because any Wholly Owned Investment Subsidiary will be controlled by an Investment Company, it will be subject to section 17(d) or section 57(a)(4), and thus also subject to the provisions of rule 17d-1.

2. Rule 17d-1, as made applicable to BDCs by section 57(i), prohibits any person who is related to a BDC in a manner described in section 57(b), acting as principal, from participating in, or effecting any transaction in connection with, any joint enterprise or other joint arrangement or profit-sharing plan in which the BDC is a participant, absent an order from the Commission. In passing upon applications under rule 17d-1, the Commission considers whether the company's participation in the joint transaction is consistent with the provisions, policies, and purposes of the Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

3. Applicants state that they expect that co-investment in portfolio companies by the Investment

Companies and the Private Funds will increase favorable investment opportunities for each participant.

4. Applicants submit that the fact that the Required Majority will approve each Co-Investment Transaction before investment, and other protective conditions set forth in the application, will ensure that each Investment Company will be treated fairly. Applicants state that each Investment Company's participation in the Co-Investment Transactions will be consistent with the provisions, policies, and purposes of the Act and on a basis that is not different from, or less advantageous than, that of the other Investment Companies or the Private Funds.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Each time an Adviser considers a Potential Co-Investment Transaction for a Private Fund or another Investment Company that falls within an Investment Company's then-current Objectives and Strategies, the Investment Company's Adviser will make an independent determination of the appropriateness of such investment for such Investment Company in light of such Investment Company's then-current circumstances.

2. (a) If the applicable Adviser deems an Investment Company's participation in any Potential Co-Investment Transaction to be appropriate for such Investment Company, it will then determine an appropriate level of investment for such Investment Company;

(b) If the aggregate amount recommended by the applicable Adviser to be invested in such Potential Co-Investment Transaction by an Investment Company, together with the amount proposed to be invested by the other participating Investment Companies and Private Funds, collectively, in the same transaction, exceeds the amount of the investment opportunity, then the investment opportunity will be allocated among them pro rata based on each participating party's capital available for investment in the asset class being allocated, up to the amount proposed to be invested by each party. The applicable Adviser will provide the Eligible Directors of each participating Investment Company with information concerning each participating party's available capital to assist the Eligible Directors with their review of such Investment Company's investments for

compliance with these allocation procedures; and

(c) After making the determinations required in conditions 1 and 2(a), the applicable Adviser will distribute written information concerning the Potential Co-Investment Transaction, including the amount proposed to be invested by each Investment Company and each Private Fund, to the Eligible Directors of each participating Investment Company for their consideration. An Investment Company will co-invest with one or more other Investment Companies and/or Private Funds only if, prior to the Investment Company's participation in the Potential Co-Investment Transaction, the Required Majority concludes that:

(i) The terms of the Potential Co-Investment Transaction, including the consideration to be paid, are reasonable and fair to such Investment Company and its stockholders and do not involve overreaching in respect of such Investment Company or its stockholders on the part of any person concerned;

(ii) the Potential Co-Investment Transaction is consistent with:

(A) The interests of the stockholders of such Investment Company; and

(B) such Investment Company's then-current Objectives and Strategies;

(iii) the investment by another Investment Company or any Private Fund would not disadvantage such Investment Company, and participation by such Investment Company would not be on a basis different from, or less advantageous than, that of any other Investment Company or Private Fund; provided, that if any other Investment Company or Private Fund, but not such Investment Company itself, gains the right to nominate a director for election to a portfolio company's board of directors or the right to have a board observer or any similar right to participate in the governance or management of the portfolio company, such event will not be interpreted to prohibit the Required Majority from reaching the conclusions required by this condition (2)(c)(iii), if

(A) The Eligible Directors will have the right to ratify the selection of such director or board observer, if any;

(B) the Advisers agree to, and do, provide periodic reports to each Investment Company's board of directors or board of trustees, as applicable, with respect to the actions of such director or the information received by such board observer or obtained through the exercise of any similar right to participate in the governance or management of the portfolio company; and

(C) any fees or other compensation that any other Investment Company, Private Fund or any affiliated person of another Investment Company or Private Fund receives in connection with the right of such other Investment Company or Private Fund to nominate a director or appoint a board observer or otherwise to participate in the governance or management of the portfolio company will be shared proportionately among the participating Private Funds (which each may, in turn, share their portion with their affiliated persons) and the participating Investment Companies in accordance with the amount of each party's investment; and

(iv) the proposed investment by the Investment Company will not benefit the other Investment Companies, the Advisers, the Private Funds or any affiliated person of any of them (other than the parties to the Co-Investment Transaction), except (A) to the extent permitted by condition 13; (B) to the extent permitted by sections 17(e) or 57(k) of the Act, as applicable; (C) indirectly, as a result of an interest in the securities issued by one of the parties to the Co-Investment Transaction; or (D) in the case of fees or other compensation described in condition 2(c)(iii)(C).

3. Each Investment Company has the right to decline to participate in any Potential Co-Investment Transaction or to invest less than the amount proposed.

4. The applicable Adviser will present to the board of directors or the board of trustees, as applicable, of each Investment Company, on a quarterly basis, a record of all investments in Potential Co-Investment Transactions made by any of the other Investment Companies and the Private Funds during the preceding quarter that fell within such Investment Company's then-current Objectives and Strategies that were not made available to such Investment Company and an explanation of why the investment opportunities were not offered to such Investment Company. All information presented to a board pursuant to this condition will be kept for the life of such Investment Company and at least two years thereafter, and will be subject to examination by the Commission and its staff.

5. Except for follow-on investments made in accordance with condition 8,⁹ an Investment Company will not invest in reliance on the Order in any issuer in which any other Investment Company,

Private Fund or any affiliated person of another Investment Company or Private Fund is an existing investor.

6. An Investment Company will not participate in any Potential Co-Investment Transaction unless the terms, conditions, price, class of securities to be purchased, settlement date and registration rights will be the same for each participating Investment Company and Private Fund. The grant to another participant, but not such Investment Company, of the right to nominate a director for election to a portfolio company's board of directors, the right to have an observer on the board of directors or similar rights to participate in the governance or management of the portfolio company will not be interpreted so as to violate this condition 6, if conditions 2(c)(iii)(A), (B) and (C) are met.

7. (a) If any Investment Company or Private Fund elects to sell, exchange or otherwise dispose of an interest in a security that was acquired in a Co-Investment Transaction, the applicable Advisers will:

(i) Notify each Investment Company that participated in the Co-Investment Transaction of the proposed disposition at the earliest practical time; and

(ii) formulate a recommendation as to participation by such Investment Company in any such disposition.

(b) Each Investment Company will have the right to participate in such disposition on a proportionate basis, at the same price and on the same terms and conditions as those applicable to any participating Private Funds and other participating Investment Companies.

(c) An Investment Company may participate in such disposition without obtaining prior approval of the Required Majority if: (i) The proposed participation of such Investment Company and of each other participant in such disposition is proportionate to its outstanding investment in the issuer immediately preceding the disposition; (ii) the board of directors or board of trustees, as applicable, of such Investment Company has approved as being in the best interests of such Investment Company the ability to participate in such dispositions on a pro rata basis (as described in greater detail in the application); and (iii) such board is provided on a quarterly basis with a list of all dispositions made in accordance with this condition. In all other cases, the applicable Adviser will provide its written recommendation as to an Investment Company's participation to the Eligible Directors of such Investment Company, and the Investment Company will participate in

such disposition solely to the extent that the Required Majority determines that it is in the Investment Company's best interests.

(d) Each Investment Company and each other participant will bear its own expenses in connection with any such disposition.

8. (a) If any Investment Company or Private Fund desires to make a follow-on investment in a portfolio company whose securities were acquired in a Co-Investment Transaction, the applicable Advisers will:

(i) Notify each Investment Company that participated in the Co-Investment Transaction of the proposed transaction at the earliest practical time; and

(ii) formulate a recommendation as to the proposed participation, including the amount of the proposed follow-on investment, by such Investment Company.

(b) Such Investment Company may participate in such follow-on investment without obtaining prior approval of the Required Majority if: (i) The proposed participation of each Investment Company and each Private Fund in such investment is proportionate to its outstanding investment in the issuer immediately preceding the follow-on investment; (ii) the board of directors or board of trustees, as applicable, of such Investment Company has approved as being in the best interests of such Investment Company the ability to participate in follow-on investments on a pro rata basis (as described in greater detail in the application); and (iii) such board is provided on a quarterly basis with a list of all follow-on investments made in accordance with this condition. In all other cases, the applicable Adviser will provide its written recommendation as to such Investment Company's participation to the Eligible Directors, and such Investment Company will participate in such follow-on investment solely to the extent that the Required Majority determines that it is in such Investment Company's best interests.

(c) If with respect to any follow-on investment:

(i) The amount of the opportunity is not based on the Investment Companies' and the Private Funds' outstanding investments immediately preceding the follow-on investment; and

(ii) the aggregate amount recommended by the applicable Adviser to be invested by each Investment Company in the follow-on investment, together with the amount proposed to be invested by the participating Private Funds in the same transaction, exceeds the amount of the opportunity, then the

⁹This exception applies only to follow-on investments by an Investment Company in issuers in which that Investment Company already holds investments.

amount to be invested by each such party will be allocated among them pro rata based on each participating party's capital available for investment in the asset class being allocated, up to the amount proposed to be invested by each.

(d) The acquisition of follow-on investments as permitted by this condition will be considered a Co-Investment Transaction for all purposes and subject to the other conditions set forth in the application.

9. The Independent Directors or Independent Trustees, as applicable, of each Investment Company will be provided quarterly for review all information concerning Potential Co-Investment Transactions and Co-Investment Transactions, including investments made by the other Investment Companies and the Private Funds that the applicable Investment Company considered but declined to participate in, so that the Independent Directors or Independent Trustees, as applicable, may determine whether all investments made during the preceding quarter, including those investments which the applicable Investment Company considered but declined to participate in, comply with the conditions of the Order. In addition, the Independent Directors or Independent Trustees, as applicable, will consider at least annually the continued appropriateness for such Investment Company of participating in new and existing Co-Investment Transactions.

10. The Investment Companies will maintain the records required by section 57(f)(3) of the Act as if each of the Investment Companies were a business development company and as if each of the investments permitted under these conditions were approved by the Required Majority under section 57(f) of the Act.
