SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the OFCCP Recordkeeping and Reporting Requirements—Supply and Service information collection, commonly referred to as the Scheduling Letter, which is used to schedule Federal contractors and subcontractors for compliance evaluations in accordance with Executive Order 11246 section 206, as amended; Rehabilitation Act of 1973 section 503, as amended; and the Vietnam Era Veterans’ Readjustment Assistance Act of 1974 section 402, as amended. These mandates prohibit Federal contractors and subcontractors from discriminating on the basis of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or protected veteran’s status. They also prohibit these employers from taking adverse employment actions against applicants and employees for asking about,

discussing, or sharing information about their pay or, in certain circumstances, the pay of their co-workers. This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1250–0003. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 29, 2015 (80 FR 66572).
