

may be in the areas of exploration, assessment, development, feasibility, or market studies. Indian Tribes that would like to apply for an EMDP grant must submit an application that includes certain information, and must assist IEED by providing information in support of any National Environmental Policy Act (NEPA) analyses.

II. Request for Comments

The Bureau of Indian Affairs (BIA) requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section. Before including your address, phone number, email address or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

III. Data

OMB Control Number: 1076–0174.

Title: Energy and Mineral Development Program (EMDP) Grant Solicitation.

Brief Description of Collection: Indian Tribes that would like to apply for an EMDP grant must submit an application that includes certain information. A complete application must contain a current, signed Tribal resolution that provides sufficient information to authorize the project and comply with the terms of the grant; a proposal describing the planned activities and deliverable products; and a detailed budget estimate. The IEED requires this information to ensure that it provides funding only to those projects that meet the goals of the EMDP and purposes for

which Congress provides the appropriation. Upon acceptance of an application, a Tribe must then submit one to two page quarterly progress reports summarizing events, accomplishments, problems and/or results in executing the project.

Type of Review: Extension without change of currently approved collection.

Respondents: Federally recognized Indian Tribes with Indian land.

Number of Respondents: 55 applicants per year; approximately 25 project participants each year.

Estimated Time per Response: 40 hours per application; 1.5 hours per progress report.

Frequency of Response: Once per year for applications; 4 times per year for progress reports.

Obligation to Respond: Response required to obtain a benefit.

Estimated Total Annual Hour Burden: 2,308 hours (2,200 for applications and 108 for progress reports).

Estimated Total Annual Cost: \$0.
