I. Abstract

The NPS, as delegated by the U.S. Office of Personnel Management (OPM), is authorized to request information to determine suitability of applicants for Federal employment and proposed non-Federal personnel working under contractor and/or agreement who require access to NPS property and/or receive a DOIAccess (personal identity verification (PIV)) badge under Executive Orders 10450 and 10577; sections 3301, 3302, and 9101 of Title 5, United States Code (U.S.C.); and parts 2, 5, 731, and 736 of Title 5, Code of Federal Regulations (CFR), and Federal information processing standards. Section 1104 of Title 5 allows OPM to delegate personnel management functions to other Federal agencies.

In line with new regulations mandated by the OPM and the Department of the Interior (DOI), the NPS Personnel Security Branch is utilizing the Electronic Questionnaires for Investigations Processing (E-QIP) System. The National Park Service will utilize Form 10-955, "Background Initiation Request" to create E-QIP accounts necessary to initiate background investigations for all individuals requiring access to NPS property and/or receive a DOIAccess (personal identity verification (PIV)) badge. The OPM and DOI programs initiating background

SUPPLEMENTARY INFORMATION:

Background. On July 17, 1986, the Department of Commerce issued an antidumping duty order on imports of raw in-shell pistachios from Iran (51 FR 25922). Following the five-year reviews by Commerce and the Commission, effective January 3, 2006, Commerce issued a continuation of the antidumping duty order on imports of raw in-shell pistachios from Iran (71 FR 94-01). The Commission is now conducting a second review pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time.² Provisions concerning the conduct of this proceeding may be found in the Commission’s Rules of Practice and Procedure at 19 CFR parts 201, subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission’s determination in any expedited review will be based on the facts available,

² On July 1, 2010, prior to Commerce’s initiation of the second review scheduled for December 2010, the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Pub. L. 111-195) was signed into law. Among its provisions is a general prohibition on imports from Iran (Sec. 103) that became effective on September 29, 2010. This prohibition on imports led Commerce, pursuant to 19 U.S.C. 1675(c)(7), to toll the initiation of the second review of this order. Commerce announced that it would not initiate the second review until two months after the lifting of the prohibition (75 FR 67081, November 1, 2010). On January 21, 2016, the Iranian Transactions and Sanctions Regulations were amended to permit the importation of pistachios from Iran (81 FR 3330). Commerce subsequently included the second review of this order in its list of reviews scheduled for initiation in April 2016 (81 FR 10577, March 1, 2016).

which may include information provided in response to this notice.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determination and its full first five-year review determination, the Commission defined the *Domestic Like Product* as raw in-shell pistachio nuts that have been harvested, hulled, dried to a moisture content of 4–6 percent, and graded. These included all shapes of nuts, all three U.S. grades (U.S. Fancy, U.S. No. 1 and U.S. No. 2) and all four size categories (very large, large, medium, and small).

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determination and its full first five-year review determination, the Commission defined the *Domestic Industry* as growers of pistachio nuts and processors of pistachio nuts from hulling through grading.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list. Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission’s rules, no later than 21 days after publication of this notice in the **Federal Register**.
