

- whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection:* Reinstatement with change of a previously approved collection
2. *The Title of the Form/Collection:* Report of Public Safety Officers Death Benefits
3. *The agency form number:* None.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Public safety agencies experiencing the death of a public safety officer according to the PSOB Act.

Abstract: BJA's Public Safety Officers' Benefits (PSOB) Office will use the PSOB Report of Public Safety Officer's Death Form information to confirm the eligibility of applicants to receive Public Safety Officers' Death Benefits. Eligibility is dependent on several factors, including public safety officer status, an injury sustained in the line of duty, and the claimant status in the beneficiary hierarchy according to the PSOB Act. In addition, information to help the PSOB Office identify an individual is collected, such as Social Security numbers, telephone numbers, and email addresses. Changes to the report form have been made in an effort to streamline the application process and eliminate requests for information that are either irrelevant or already being collected by other means.

Others: None.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that no more than 350 respondents will apply a year. Each application takes approximately 240 minutes to complete.

6. *An estimate of the total public burden (in hours) associated with the collection:* An estimate of the total public burden (in hours) associated with the collection: Total Annual Reporting

Burden: 350 × 240 minutes per application = 84,000 minutes/by 60 minutes per hour = 1400 hours.
