Centers for Disease Control and Prevention

Subcommittee for Dose Reconstruction Reviews (SDRR), Advisory Board on Radiation and Worker Health (ABRWH or the Advisory Board), National Institute for Occupational Safety and Health (NIOSH)

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC), announces the following meeting for the aforementioned subcommittee:

Time and Date: 10:30 a.m.–5:00 p.m., EDT, April 28, 2016.

Place: Audio Conference Call via FTS Conferencing.

Status: Open to the public, but without a public comment period. The public is welcome to submit written comments in advance of the meeting, to the contact person below. Written comments received in advance of the meeting will be included in the official record of the meeting. The public is also welcome to listen to the meeting by joining the teleconference at the USA toll-free, dial-in number at 1-866-659-0537 and the pass code is 9933701.

Background: The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include providing advice on the development of probability of causation guidelines that have been promulgated by the Department of Health and Human Services (HHS) as a final rule; advice on methods of dose reconstruction, which have also been promulgated by HHS as a final rule; advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program; and advice on

petitions to add classes of workers to the Special Exposure Cohort.

In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to CDC. NIOSH implements this responsibility for CDC. The charter was issued on August 3, 2001, renewed at appropriate intervals, and will expire on August 3, 2017.

Purpose: The Advisory Board is charged with (a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and (c) upon request by the Secretary, HHS, advise the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class. The Subcommittee for Dose Reconstruction Reviews was established to aid the Advisory Board in carrying out its duty to advise the Secretary, HHS, on dose reconstruction.

Matters for Discussion: The agenda for the Subcommittee meeting includes the following dose reconstruction program quality management and assurance activities: Dose reconstruction cases under review from Sets 14–18, including the Oak Ridge sites (Y–12, K–25, Oak Ridge National Laboratory, and Savannah River Site; preparation of the Advisory Board's next report to the Secretary, HHS, summarizing the results of completed dose reconstruction reviews.

The agenda is subject to change as priorities dictate.

Administration for Community Living

Award of a Single Source Non-Competing Continuation Cooperative Agreement for One National Activities Grant Project Under Section 6 of the Assistive Technology Act of 1998, as Amended (ATAct)

AGENCY: Administration for Community Living, HHS.

ACTION: Notice.

SUMMARY: As a result of the Workforce Opportunity Improvement Act (Pub. L. 113–128) signed by President Obama in July 2014, the Assistive Technology Act Data Reporting and Analysis cooperative agreement with the Center for Assistive Technology Act Data Assistance (CATADA) at the University of Massachusetts—Boston, Institute for Community Inclusion transferred from the U.S. Department of Education, Rehabilitation Services Administration to the U.S. Department of Health and Human Services, Administration for Community Living (ACL). The CATADA Project is a national technical assistance grant for assistive technology programs that provides a comprehensive and state-specific, regional and national data reporting system and resources to entities funded under Section 4 of the *AT Act* to improve the reporting of data and performance measures for the required state-level and state leadership activities, and to provide appropriate information to entities not funded under the *AT Act* to improve awareness of and access to assistive technology. The Department of Health and Human Services is currently transitioning and developing the information collection instruments for the State Grant for AT programs under Section 4 of the *AT Act* to ACL.

The CATADA Project provides training and technical assistance on the use of an accessible national AT data reporting system that supports a day-to-day information collection tool and an aggregate report for the submission of federally required data and performance measures for all 56 State Grant for AT programs under the *AT Act*.

Program Name: Assistive Technology National Activities.

Award Amount: up to \$317,123 to University of Massachusetts—Boston, Institute for Community Inclusion.

Project Period: 9/30/2016 to 9/29/2017.

Award Type: Cooperative Agreement.

Statutory Authority: This program is authorized under Section 6 of the *Assistive Technology Act of 1998*, as amended (29 U.S.C. 3005).

Catalog of Federal Domestic Assistance (CFDA) Number: 93.464 Discretionary Projects.

Dates: Estimated Project Period—September 30, 2016 through September 29, 2017.

I. Program Description

The purpose of the National Activities cooperative agreement with the University of Massachusetts—Boston, Institute for Community Inclusion is to continue existing activities designed to support and improve the administration of the *AT Act*. The grantee will continue to provide state-specific, regional and national training and technical assistance concerning information reporting and analysis, develop state and national data reports on the activities carried out by the State Grant for AT programs under Section 4 of the *AT Act* and make the reports available to ACL, stakeholders and the general public.

Justification: ACL is currently working on transitioning and developing the Assistive Technology National Activities data collection instruments for the State Grant for AT programs under Section 4 of the *AT Act* to ACL. To ensure uninterrupted continuation of data reporting and analysis, ACL plans to issue a one year single source non-competing continuation cooperative agreement award to the University of Massachusetts—Boston, Institute for Community Inclusion.

II. Agency Contact

For further information or comments regarding this action, contact Lori Gerhard, U.S. Department of Health and Human Services, Administration for Community Living, Center for Integrated Programs, Office of Consumer Access and Self-Determination, 330 C Street SW., Washington, DC 20201; telephone (202) 795–7348; fax (202) 205–0414; email Lori.Gerhard@acl.hhs.gov.

Dated: March 29, 2016.
