Prince William Sound Regional Citizens' Advisory Council Charter Renewal

AGENCY: Coast Guard, DHS.

ACTION: Notice.

SUMMARY: The purpose of this notice is to inform the public that the Coast Guard has recertified the Prince William Sound Regional Citizens' Advisory Council (PWSRCAC) as an alternative voluntary advisory group for Prince William Sound, Alaska. This certification allows the PWSRCAC to monitor the activities of terminal facilities and crude oil tankers under the Prince William Sound Program established by statute.

DATES: This recertification is effective for the period from February 29, 2016 through February 28, 2017.

FOR FURTHER INFORMATION CONTACT: LT Patrick Grizzle, Seventeenth Coast Guard District (dpi), by phone at (907)463-2809, email patrick.j.grizzle@CoastGuard.mil or by mail at P.O. Box 25517, Juneau, Alaska 99802.

SUPPLEMENTARY INFORMATION:

Background and Purpose

As part of the Oil Pollution Act of 1990, Congress passed the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990 (the Act), 33 U.S.C. 2732, to foster a long-term partnership among industry,

government, and local communities in overseeing compliance with environmental concerns in the operation of crude oil terminals and oil tankers.

On October 18, 1991, the President delegated his authority under 33 U.S.C. 2732(o) to the Secretary of Transportation in Executive Order 12777, section 8(g) (see 56 FR 54757; October 22, 1991) for purposes of certifying advisory councils, or groups, subject to the Act. On March 3, 1992, the Secretary redelegated that authority to the Commandant of the Coast Guard (see 57 FR 8582; March 11, 1992). The Commandant redelegated that authority to the Chief, Office of Marine Safety, Security and Environmental Protection (G-M) on March 19, 1992 (letter #5402).

On July 7, 1993, the Coast Guard published a policy statement, 58 FR 36504, to clarify the factors that shall be considered in making the determination as to whether advisory councils, or groups, should be certified in accordance with the Act.

The Assistant Commandant for Marine Safety and Environmental Protection (G-M), redelegated recertification authority for advisory councils, or groups, to the Commander, Seventeenth Coast Guard District on February 26, 1999 (letter #16450).

On September 16, 2002, the Coast Guard published a policy statement, 67 FR 58440, that changed the recertification procedures such that applicants are required to provide the Coast Guard with comprehensive information every three years (triennially). For each of the two years between the triennial application procedures, applicants submit a letter requesting recertification that includes a description of any substantive changes to the information provided at the previous triennial recertification. Further, public comment is not solicited prior to recertification during streamlined years, only during the triennial comprehensive review.

On March 1, 2003, the Coast Guard was transferred from the Department of Transportation (DoT) to the Department of Homeland Security (DHS) and retained the previous delegations that were provided while it was in the DoT.

The Alyeska Pipeline Service Company pays the PWSRCAC \$2.9 million annually in the form of a longterm contract. In return for this funding, the PWSRCAC must annually show that it "fosters the goals and purposes" of OPA 90 and is "broadly representative of the communities and interests in the vicinity of the terminal facilities and Prince William Sound." The PWSRCAC is an independent,

nonprofit organization founded in 1989. Though it receives federal oversight like many independent, non-profit organizations, it is not a federal agency. The PWSRCAC is a local organization that predates the passage of OPA 90. The existence of the PWSRCAC was specifically recognized in OPA 90 where it is defined as an "alternate voluntary advisory group."

Alyeska funds the PWSRCAC, and the Coast Guard makes sure the PWSRCAC operates in a fashion that is broadly consistent with OPA 90.

Recertification

By letter dated Feb. 29, 2016, the Commander, Seventeenth Coast Guard certified that the PWSRCAC qualifies as an alternative voluntary advisory group under 33 U.S.C. 2732(o). This recertification terminates on February 28, 2017.

Dated: February 29, 2016.

D.B. Abel,

Rear Admiral, U.S. Coast Guard Commander, Seventeenth Coast Guard District.
