AGENCY: Office of the Secretary (OST), U.S. Department of Transportation (DOT).

ACTION: Final rule.

This amendment responds to the Moving Ahead for Progress in the 21st Century Act and the Department of Transportation Appropriations Act, 2015, removes some delegations of authority that were unnecessary or inaccurate, and revises some delegations of authority to improve the description of current Department practice.

DATES: Effective April 5, 2016.

SUPPLEMENTARY INFORMATION:**Background**

This final rule updates the regulations that organize the Department of Transportation and delegate authority from the Secretary of Transportation to other departmental officials, including the Deputy Secretary, the Under Secretary, the General Counsel, the Assistant Secretaries, the Inspector General, and the heads of the Operating Administrations. The purpose of this rule is to describe to the public and other government officials how the Department operates, which offices within the Department are responsible for which activities, and what authority each office exercises.

This rule updates part 1 on Organization and Delegation of Powers and Duties in two ways. First, the rule responds to the Moving Ahead for Progress in the 21st Century Act (Pub. L. 112-141, 126 Stat. 405) and the

Department of Transportation Appropriations Act, 2015 (Pub. L. 113-235 div. K, tit. I, 128 Stat. 2696). The rule adds delegations for new sources of authority from those laws. Second, the rule improves and simplifies the existing delegations of authority. It removes some delegations that were unnecessary or no longer described the exercise of authority within the Department. It revises and clarifies other delegations to more accurately describe current Department practice and ensure consistency with relevant statutory authorities.

This final rule does not impose substantive requirements on the public. It is ministerial and relates only to the Department's organization, procedure, and practice. Therefore, the Department has determined that notice and comment are unnecessary and that the rule is exempt from prior notice and comment requirements under 5 U.S.C. 553(b)(3)(A). As these changes will not have a substantive impact on the public, the Department does not expect to receive substantive comments on the rule. Accordingly, under 5 U.S.C. 553(d)(3), the Department finds good cause for this rule to be effective less than 30 days after its publication in the **Federal Register**.

Regulatory Analyses and Notices**Executive Order 12866 (Regulatory Planning and Review) and DOT Regulatory Policies and Procedures**

The Department has determined that this final rule is not a significant regulatory action under Executive Order 12866 and DOT Regulatory Policies and Procedures (44 FR 11034). It was not reviewed by the Office of Management and Budget. There are no costs associated with this rule.

Executive Order 13132 (Federalism)

This final rule has been analyzed in accordance with the principles and criteria contained in Executive Order 13132 ("Federalism"). This final rule does not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, the consultation requirements of Executive Order 13132 do not apply.

Executive Order 13175 (Consultation and Coordination With Indian Tribal Governments)

This final rule has been analyzed in accordance with the principles and criteria contained in Executive Order 13175 ("Consultation and Coordination with Indian Tribal Governments").

Because this final rule does not significantly or uniquely affect the communities of the Indian tribal governments and does not impose substantial or direct compliance costs, the funding and consultation requirements of Executive Order 13175 do not apply.

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required for this rule under the Administrative Procedure Act, 5 U.S.C. 553, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply. We also do not believe this rule will impose any costs on small entities because it is merely organizational in nature. I hereby certify that this final rule will not have a significant economic impact on a substantial number of small entities.

Paperwork Reduction Act

This final rule contains no information collection requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) does not require a written statement for this final rule because the rule does not include a Federal mandate that may result in the expenditure in any one year of \$155,000,000 or more by State, local, and tribal governments, or the private sector.

National Environmental Policy Act

The agency has analyzed the environmental impacts of this action pursuant to the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321 *et seq.*) and has determined that it is categorically excluded pursuant to DOT Order 5610.1C, Procedures for Considering Environmental Impacts (44 FR 56420, Oct. 1, 1979). Categorical exclusions are actions identified in an agency's NEPA implementing procedures that do not normally have a significant impact on the environment and therefore do not require either an environmental assessment (EA) or environmental impact statement (EIS). See 40 CFR 1508.4. In analyzing the applicability of a categorical exclusion, the agency must also consider whether extraordinary circumstances are present that would warrant the preparation of an EA or EIS. Id. Paragraph 3.c.5 of DOT Order 5610.1C incorporates by reference the categorical exclusions for all DOT Operating Administrations. This action is covered by the categorical exclusion listed in the Federal Highway Administration's implementing

procedures, “[p]romulgation of rules, regulations, and directives.” 23 CFR 771.117(c)(20). The purpose of this rulemaking is to update the regulations that govern the organization of the Department and delegate authority from the Secretary to departmental officers and the heads of the Department’s Operating Administrations. The agency does not anticipate any environmental impacts, and there are no extraordinary circumstances present in connection with this rulemaking.
