The SVS will be conducted as a supplement to the NCVS in all sample households for a six (6) month period. The SVS is primarily an effort to measure the prevalence of stalking victimization among persons, the types of stalking victimization experienced, the characteristics of stalking victims, the nature and consequences of stalking victimization, and patterns of reporting to the police. BJS plans to publish this information in reports and reference it when responding to queries from the U.S. Congress, Executive Office of the President, the U.S. Supreme Court, state officials, international organizations, researchers, students, the media, and others interested in criminal justices statistics.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Modification of Consent Decree Under the Clean Air Act

On March 30, 2016, the Department of Justice lodged a proposed stipulation to modify a Consent Decree with the United States District Court for the Eastern District of Wisconsin in the lawsuit entitled *United States v. Wisconsin Public Service Corporation*, Civil Case No. 13-C-10 (E.D. Wis.).

The original Consent Decree resolved alleged violations of the New Source Review and Title V provisions of the Clean Air Act ("Act"), 42 U.S.C. 7470-92 and 7661a-7661f, at two coal-fired power plants owned and operated by Wisconsin Public Service Corp ("Defendant"): the Weston plant located in Marathon County, Wisconsin, and the Pulliam plant located in Brown County, Wisconsin. The proposed modifications would: (1) Facilitate the Defendant's decision to convert a unit at the Weston plant from burning coal to natural gas, thereby reducing particulate matter ("PM") emissions such that the operation of certain PM controls at that unit is no longer necessary to achieve the PM reductions secured by the Decree; (2) replace a hydroelectric environmental mitigation project that was deemed unworkable with a new land acquisition and restoration project and an expansion of an existing wood stove replacement program; and (3) revise and update certain administrative notice and certification requirements.

The publication of this notice opens a period for public comment on the proposed modifications to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Wisconsin Public Service Corporation*, Civil Case No. 13-C-10
