Drug Enforcement Administration

[Docket No. 16-7]

Rezik A. Saqer, M.D.; Decision and Order

On October 1, 2015, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Rezik A. Saqer, M.D., (Respondent). The Show Cause Order proposed the revocation of Respondent's DEA Certificates of Registration BS4072637 and FS1975359, pursuant to which he is authorized to dispense controlled substances in schedules II through V, as a practitioner, at the respective registered locations of 11037 FM 1960 West, Suite B1, Houston, Texas, and 3074 College Park Drive, Conroe, Texas. Show Cause Order, at 1. The Show Cause Order further proposed the denial of any applications to renew or modify either registration, as well as the denial of any other application for a DEA registration. *Id.*

More specifically, the Show Cause Order alleged that "[e]ffective September 28, 2015, the Texas Medical Board issued an Order of Temporary Suspension . . . which suspended [Respondent's] medical license," and therefore, he is currently "without authority to handle controlled substances in Texas, the State in which [he is] registered with" DEA. *Id.* at 2. The Show Cause Order thus advised Respondent that "DEA must revoke [his] registrations based upon [his] lack of authority to handle controlled substances in the State of Texas." *Id.* (citing 21 U.S.C. 802(21), 823(f), and 824(a)(3)).

On October 2, 2015, a Diversion Investigator served the Show Cause Order by travelling to Respondent's registered location in Houston, and leaving it with a medical assistant, who provided a signed receipt for the Order. Affidavit of DI, at 1. On November 5, 2015, Respondent, through his counsel, requested a hearing on the allegations of the Show Cause Order.¹ The matter was then placed on the docket of the Office of Administrative Law Judges, and

¹ While Respondent's request was untimely, Respondent's counsel subsequently filed a motion which established that his secretary had attempted to file the hearing request by UPS overnight delivery, but had provided an incorrect address. DEA has previously held that this type of inadvertence may establish "good cause" to excuse an untimely hearing request, at least when the party promptly moves to rectify the omission. *Tony Bui*, 75 FR 49979, 49980 (2010).
