OMB Control Number: 1845-0030.

Type of Review: An extension of an existing information collection.

Abstract: The data submitted electronically in the Fiscal Operations Report and Application to Participate (FISAP) through FISAP on the Web is used by the Department of Education to determine the institution's funding need for the award year and monitor program effectiveness and accountability of fund expenditures.

The Reallocation form is part of FISAP on the Web. The Higher Education Amendments (HEA) requires that if an institution anticipates not using all of its allocated funds for the Perkins, Federal Work Study (FWS), and Federal Supplemental Education Opportunity Grant (FSEOG) programs by the end of an award year, it must specify the anticipated remaining unused amount to the Secretary. In addition to renewing the expiration date, references to dates and award years dates have been updated on the forms and in the instructions for both documents. The FISAP form has been revised: (1) To use technology to gather existing data electronically from other sources requiring less data entry concerning Additional Institutions in Part I; (2) per discussions with OMB staff on 11/26/12 with concurrence on 11/30/12 to allow applicable aggregate level data entry concerning graduate and professional students for schools with non-traditional academic calendars; and (3) per OMB staff request
