

**FOR FURTHER INFORMATION CONTACT:** Curtis Rich, Agency Clearance Officer, (202) 205-7030 [curtis.rich@sba.gov](mailto:curtis.rich@sba.gov).

*Copies:* A copy of the Form OMB 83-1, supporting statement, and other documents submitted to OMB for review may be obtained from the Agency Clearance Officer.

**SUPPLEMENTARY INFORMATION:** The servicing agent agreement is executed by the borrower, and the certified development company as the loan servicing agent. The agreement is primarily used by the certified development company as the loan servicing agent and acknowledges the imposition of various fees allowed in SBA's 504 loan program.

*Title:* Servicing Agent Agreement.

*Description of Respondents:* Certified Development Companies.

*Form Number:* 1506.

*Estimated Annual Responses:* 6,151.

*Estimated Annual Hour Burden:* 6,151.

## SMALL BUSINESS ADMINISTRATION

### Data Collection Available for Public Comments

**ACTION:** 60-Day notice and request for comments.

**SUMMARY:** The Small Business Administration (SBA) intends to request approval, from the Office of Management and Budget (OMB) for the collection of information described below. The Paperwork Reduction Act (PRA) of 1995, 44 U.S.C Chapter 35 requires federal agencies to publish a notice in the **Federal Register** concerning each proposed collection of information before submission to OMB, and to allow 60 days for public comment in response to the notice. This notice complies with that requirement.

**DATES:** Submit comments on or before June 20, 2016.

**ADDRESSES:** Send all comments to Mary Frias, Loan Specialist, Office of Financial Assistance, Small Business Administration, 409 3rd Street SW., Washington, DC 20416.

**FOR FURTHER INFORMATION CONTACT:** Mary Frias, Loan Specialist, Office of Financial Assistance, [mary.frias@sba.gov](mailto:mary.frias@sba.gov), 202-401-8234, or Curtis B. Rich, Management Analyst, 202-205-7030, [curtis.rich@sba.gov](mailto:curtis.rich@sba.gov);

**SUPPLEMENTARY INFORMATION:** This information collection consists of SBA

Form 2233 and SBA Form 2234, Parts A, B, and C. A statutory change on December 22, 2015 in the Consolidated Appropriations Act, 2016, made debt refinance a permanent part of the 504 loan program. Slight revisions to the currently approved forms are required to reinstate the debt refinance program requirements that were previously removed due to the expiration of the authority for that program in 2012.

### Solicitation of Public Comments

SBA is requesting comments on (a) Whether the collection of information is necessary for the agency to properly perform its functions; (b) whether the burden estimates are accurate; (c) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (d) whether there are ways to enhance the quality, utility, and clarity of the information.

### Summary of Information Collection

*Title:* Application for Section 504 Loan.

*Description of Respondents:* Small Business Lending Companies.

*Form Number's:* SBA Form 2233, 2234A, 2234B, 2234C.

*Total Estimated Annual Responses:* 20.

*Total Estimated Annual Hour Burden:* 30.

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

#### Notice of Intent To Release Airport Property From Quitclaim Deed; North Perry Airport, Hollywood, FL

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Request for public comment.

**SUMMARY:** The FAA hereby provides notice of intent to release approximately 0.07 acres of airport property at North Perry Airport, Hollywood, FL, from the conditions, reservations, and restrictions as contained in a Quitclaim Deed agreement between the FAA and Broward County, FL, dated October 11, 1957. The release of property will allow Broward County to dispose of the property for other than aeronautical purposes. The property is located at the intersection of Pembroke Road (State Road 824) and Airport Drive South, Hollywood, Florida. The parcel is

currently designated as non-aeronautical land use. The property will be released of its federal obligations in order for the FDOT to use the property for installation and maintenance of a traffic signal device and associated highway improvements. The fair market value of these parcels has been determined to be \$53,900.

**DATES:** Comments are due on or before May 19, 2016.

**ADDRESSES:** Documents are available for review at Broward County Aviation Department, 2200 SW 45th Street, Suite 101, Dania Beach, Florida 33312; and the FAA Airports District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822. Written comments on the Sponsor's request must be delivered or mailed to: Marisol C. Elliott, Community Planner, Orlando Airports District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822-5024. Documents reflecting the Sponsor's request are available for inspection by appointment only at the Broward County Aviation Department and by contacting the FAA at the address listed above.

**FOR FURTHER INFORMATION CONTACT:** Marisol C. Elliott, Community Planner, Orlando Airports District Office, 5950 Hazeltine National Drive, Suite 400, Orlando, FL 32822-5024.

**SUPPLEMENTARY INFORMATION:** Section 125 of The Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (AIR-21) requires the FAA to provide an opportunity for public notice and comment prior to the "waiver" or "modification" of a sponsor's Federal obligation to use certain airport land for non-aeronautical purposes.

Issued in Orlando, Florida, on April 12, 2016.

**Bart Vernace,**

*Manager, Orlando Airports District Office, Southern Region.*

## DEPARTMENT OF TRANSPORTATION

### Federal Transit Administration

[Docket No. FTA-2016-0003]

#### Notice of Buy America Waiver for a Fall Arrest System

**AGENCY:** Federal Transit Administration, DOT.

**ACTION:** Notice of Buy America waiver.

**SUMMARY:** In response to the request of the Indianapolis Public Transportation Corporation (IPTC) for a Buy America non-availability waiver for the

procurement of a Horizontal Lifeline Fall Protection Maintenance Tie Back System (System), the Federal Transit Administration (FTA) hereby waives its Buy America requirements, finding that the materials for which the waiver is requested are not produced in the United States in sufficient and reasonably available quantities and of satisfactory quality. This waiver is limited to a single procurement by IPTC for the System.

**DATES:** This waiver is effective immediately.

**FOR FURTHER INFORMATION CONTACT:** Laura Ames, FTA Attorney-Advisor, at (202) 366-2743 or [Laura.Ames@dot.gov](mailto:Laura.Ames@dot.gov).

**SUPPLEMENTARY INFORMATION:** The purpose of this notice is to announce that FTA has granted a Buy America non-availability waiver for IPTC for the procurement of a Horizontal Lifeline Fall Protection Maintenance Tie Back System under 49 U.S.C. 5323(j)(2)(B) and 49 CFR 661.7(c).

With certain exceptions, FTA's Buy America requirements prevent FTA from obligating an amount that may be appropriated to carry out its program for a project unless "the steel, iron, and manufactured goods used in the project are produced in the United States." 49 U.S.C. 5323(j)(1). A manufactured product is considered produced in the United States if: (1) All of the manufacturing processes for the product take place in the United States; and (2) all of the components of the product are of U.S. origin. A component is considered of U.S. origin if it is manufactured in the United States, regardless of the origin of its subcomponents. 49 CFR 661.5(d). If, however, FTA determines that "the steel, iron, and goods produced in the United States are not produced in a sufficient and reasonably available amount or are not of a satisfactory quality," then FTA may issue a non-availability waiver. 49 U.S.C. 5323(j)(2)(B); 49 CFR 661.7(c). "It will be presumed that the conditions exist to grant this non-availability waiver if no responsive and responsible bid is received offering an item produced in the United States." 49 CFR 661.7(c)(1).

IPTC is constructing a Downtown Transit Center (DTC) in Indianapolis, Indiana, that will serve as the hub for public transit. It will include a large indoor public waiting area and bus bays while serving pedestrians, cyclists, and bus riders. Per Occupational Safety and Health Administration (OSHA) regulations, IPTC is required to provide fall protection for employees performing maintenance on the new building. IPTC entered into a contract with Weddle

Bros. Building Group (WBBG) in early September 2014 for the construction of the DTC. WBBG certified in good faith that it would comply with Buy America. As part of the project, IPTC issued an RFP for the complete design, supply, and installation of a fall protection maintenance tie-back system to safeguard personnel to include all cable, intermediate brackets, end terminations, and modifications of structural steel as required for supplementary support of stanchions, user equipment, and attachment to roof structure for a complete and working fall protection maintenance tie-back system.

Two firms, American Anchor and Pro-Bel Group, responded to the RFP, but did not certify compliance with the Buy America regulations. The cables and tensioning system are not manufactured domestically for Pro-Bel. The hands-free set ups are not manufactured domestically for American Anchor. IPTC submitted a waiver request based on non-availability under 49 CFR 661.7(c). FTA also conducted a scouting search for the fall arrest system through its Interagency Agreement with the U.S. Department of Commerce's National Institute of Standards and Technology (NIST). The scouting search did not identify a domestic manufacturer of a system that met IPTC's specifications.

On Tuesday March 22, 2016, and in accordance with 49 U.S.C. 5323(j)(3)(A), FTA published a notice in the **Federal Register** announcing the Buy America waiver request (81 FR 15411), seeking comment from all interested parties, including potential vendors and suppliers. The comment period closed on March 29, 2016, and no comments were received.

Therefore, based on the information supplied in support of IPTC's request for a Buy America waiver for the System, including NIST's inability to locate a domestic manufacturer that currently produces a similar system and the lack of any comments, FTA hereby waives its Buy America requirements for the Horizontal Lifeline Fall Protection Maintenance Tie Back System on the grounds that the manufactured product is not available in the U.S. This waiver is limited to a single procurement for the Horizontal Lifeline Fall Protection Maintenance Tie Back System by IPTC.

Issued on April 14, 2016.

## DEPARTMENT OF TRANSPORTATION

### Federal Transit Administration

[Docket No. FTA-2016-0006]

#### Notice of Buy America Waiver for Steel Excavator With a Continuous Weld Platform

**AGENCY:** Federal Transit Administration, DOT.

**ACTION:** Notice of Buy America waiver.

**SUMMARY:** In response to the request of Metro North Railroad (MNR) for a Buy America non-availability waiver for the procurement of a steel excavator with a continuous weld platform (CWP), the Federal Transit Administration (FTA) hereby waives its Buy America requirements, finding that the materials for which the waiver is requested are not produced in the United States in sufficient and reasonably available quantities and of satisfactory quality. This waiver is limited to a single procurement by MNR for the CWP.

**DATES:** This waiver is effective immediately.

**FOR FURTHER INFORMATION CONTACT:** Laura Ames, FTA Attorney-Advisor, at (202) 366-2743 or [laura.ames@dot.gov](mailto:laura.ames@dot.gov).

**SUPPLEMENTARY INFORMATION:** The purpose of this notice is to announce that FTA has granted a Buy America non-availability waiver for MNR for the procurement of a steel excavator with a CWP, under 49 U.S.C. 5323(j)(2)(B) and 49 CFR 661.7(c).

With certain exceptions, FTA's Buy America requirements prevent FTA from obligating an amount that may be appropriated to carry out its program for a project unless "the steel, iron, and manufactured goods used in the project are produced in the United States." 49 U.S.C. 5323(j)(1). Under 49 U.S.C. 5323(j)(2)(C), rolling stock must contain more than 60 percent domestic content and final assembly must occur in the U.S. The CWP is subject to the rolling stock requirements. 49 CFR 661.3.

MNR operates commuter rail service spanning 787 track miles. MRN has a large length of track along the shore line and flooding along the line can occur regularly at many of these locations. The risk of flooding can be reduced by keeping drainage infrastructure clear of debris. Specialized equipment such as the CWP can quickly clear the right of way after storms enabling the resumption of passenger train service. After Hurricane Sandy, MNR leased a CWP, but given limited availability, as well as the higher cost of leasing, MNR believes that purchase of the CWP is necessary to ensure that it will be
