Background: As noted by the USTR in his request letter, on February 24, 2016, the President signed the Trade Facilitation and Trade Enforcement Act of 2015 (the Act) (Pub. L. 114-125) into law. Section 915 of the Act authorizes the President to establish a trade preference program for Nepal. Prior to determining whether an article is an eligible article for the purposes of the Act, the President is required to receive the advice of the Commission, in accordance with section 503(e) of the Trade Act of 1974 (the 1974 Act) (19 U.S.C. 2463(e)), that the article is not import-sensitive in the context of imports from Nepal.

In his request letter the USTR notified the Commission, under authority delegated to him in accordance with sections 503(a)(1)(A), 503(e), and 131(a) of the 1974 Act, as amended (19 U.S.C. 2463(a)(1)(A), 2463(e), and 2151(a)), that the 66 eight-digit textile and apparel tariff lines identified in Table A of the Annex to his request letter are being considered for designation as eligible articles for purposes of the Act. The USTR requested that the Commission provide its advice as to whether these articles are import-sensitive in the context of imports from Nepal. He asked that this advice include the probable economic effect on total U.S. imports, on U.S. industries producing like or directly competitive articles, and on U.S. consumers of the elimination of U.S. import duties for Nepal on the articles identified in Table A of the Annex to his request letter (see Table A below).

As requested, to the extent possible, the Commission will provide its advice and statistics separately and individually for each U.S. Harmonized Tariff Schedule subheading for all products subject to the request. The USTR indicated that those sections of the Commission's report and working papers that contain the Commission's advice and assessment will be classified as "confidential." The USTR also stated that his office considers the Commission's report to be an inter-agency memorandum that will contain pre-decisional advice and be subject to the deliberative process privilege.

The Commission has instituted the investigation under section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)) in order to facilitate the filing and inspection of written submissions and also to make the report a part of an established Commission reporting series. As requested by the USTR, the Commission will provide its report to the USTR containing the requested advice by September 29, 2016. The USTR asked that the Commission issue a public version of the report as soon as possible thereafter, containing only the unclassified information, with any confidential business information deleted.

Public Hearing: A public hearing in connection with this investigation will be held at the U.S. International Trade Commission Building, 500 E Street SW., Washington, DC, beginning at 9:30 a.m. on Thursday June 9, 2016. In the event that confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202-205-1802).

Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6).
