Rural Housing Service

Title: 7 CFR 1951–F, Analyzing Credit Needs and Graduation Review.

OMB Control Number: 0575–0093.

Summary of Collection: Section 333 of the Consolidated Farm and Rural Development Act and Section 502 of the Housing Act of 1949, requires the Rural Housing Service (RHS), to graduate their direct loan borrowers to other credit when they are able to do so. Graduation is an integral part of Agency lending, as Government loans are not meant to be extended beyond a borrower's need for subsidized rates of non-market terms. The notes, security instruments, or loan agreements of most borrowers require borrowers to refinance their Agency loans when other credit becomes available at reasonable rates and terms. If the borrower finds other credit is not available at reasonable rates and terms, the Agency will continue to review the borrower for possible graduation at periodic intervals. Information will be collected from the borrowers concerning their loans.

Need and Use of the Information: The information submitted by RHS borrowers to Agency offices is used to graduate direct borrowers to private credit with or without the use of Agency loan guarantees. At minimum, the financial information must include a balance sheet and an income statement. Other financial data collected will include information such as income, farm operating expenses, asset values, and liabilities.

Description of Respondents: Business or other for-profit.

Number of Respondents: 256.

Frequency of Responses: Reporting; Annually.

Total Burden Hours: 522.
