The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding (1) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by May 25, 2016 will be considered. Written comments should be addressed to: Desk Officer for

Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), New Executive Office Building, 725–17th Street NW., Washington, DC 20502. Commenters are encouraged to submit their comments to OMB via email to: *OIRA\_Submission@OMB.EOP.GOV* or fax (202) 395–5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250–7602. An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

#### Rural Housing Service

*Title:* 7 CFR 1951–F, Analyzing Credit Needs and Graduation Review.

*OMB Control Number:* 0575–0093.

*Summary of Collection:* Section 333 of the Consolidated Farm and Rural Development Act and Section 502 of the Housing Act of 1949, requires the Rural Housing Service (RHS), to graduate their direct loan borrowers to other credit when they are able to do so. Graduation is an integral part of Agency lending, as Government loans are not meant to be extended beyond a borrower's need for subsidized rates of non-market terms. The notes, security instruments, or loan agreements of most borrowers require borrowers to refinance their Agency loans when other credit becomes available at reasonable rates and terms. If the borrower finds other credit is not available at reasonable rates and terms, the Agency will continue to review the borrower for possible graduation at periodic intervals. Information will be collected from the borrowers concerning their loans.

*Need and Use of the Information:* The information submitted by RHS borrowers to Agency offices is used to graduate direct borrowers to private credit with or without the use of Agency loan guarantees. At minimum, the financial information must include a balance sheet and an income statement. Other financial data collected will include information such as income, farm operating expenses, asset values, and liabilities.

*Description of Respondents:* Business or other for-profit.

*Number of Respondents:* 256.

*Frequency of Responses:* Reporting: Annually.

*Total Burden Hours:* 522.

#### Ferrovanadium From the Republic of Korea: Initiation of Less-Than-Fair-Value Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* April 18, 2016.

#### **SUPPLEMENTARY INFORMATION:**

##### **The Petition**

On March 28, 2016, the Department of Commerce (the Department) received an antidumping duty (AD) petition concerning imports of ferrovanadium

from the Republic of Korea (Korea), filed in proper form on behalf of the Vanadium Producers and Reclaimers Association (VPRA) and VPRA members AMG Vanadium LLC (AMG V), Bear Metallurgical Company (Bear), Gulf Chemical & Metallurgical Corporation (Gulf), and Evraz Stratcor, Inc. (Stratcor) (Petitioners).<sup>1</sup> Petitioners are U.S. producers and wholesalers of ferrovanadium, and a trade or business association, a majority of whose members are U.S. producers and wholesalers of ferrovanadium.<sup>2</sup>

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the Act), Petitioners allege that imports of ferrovanadium from Korea are being, or are likely to be, sold in the United States at less-than-fair value within the meaning of section 731 of the Act, and that such imports are materially injuring, or threatening material injury to, an industry in the United States. Also, consistent with section 732(b)(1) of the Act, the Petition is accompanied by information reasonably available to Petitioners supporting their allegations.

The Department finds that Petitioners filed this Petition on behalf of the domestic industry because Petitioners are interested parties as defined in section 771(9)(C), (E), and (F) of the Act. The Department also finds that Petitioners demonstrated sufficient
