Federal Aviation Administration

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Human Space Flight Requirements for Crew and Space Flight Participants

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The FAA uses the information collected related to public safety to ensure that a launch or reentry operation involving a human on board a vehicle will meet the risk criteria and requirements with regard to ensuring public safety.

DATES: Written comments should be submitted by May 26, 2016.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and

sent via electronic mail to *oira_submission@omb.eop.gov*, or faxed to (202) 395-6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

FOR FURTHER INFORMATION CONTACT:

Ronda Thompson at (202) 267-1416, or by email at: *Ronda.Thompson@faa.gov*.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120-0720.

Title: Human Space Flight Requirements for Crew and Space Flight Participants.

Form Numbers: There are no FAA forms associated with this collection.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on February 4, 2016 (81 FR 6097). The FAA has established requirements for human space flight of crew and space flight participants as required by the Commercial Space Launch Amendments Act of 2004. The information collected is used by the FAA, a licensee or permittee, a space flight participant, or a crew member. The FAA uses the information related to public safety to ensure that a launch or reentry operation involving a human on board a vehicle will meet the risk criteria and requirements with regard to ensuring public safety.

Respondents: Approximately 5 applicants annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 4 hours.

Estimated Total Annual Burden: 2,975 hours.

Issued in Washington, DC, on April 20, 2016.

Pipeline and Hazardous Materials Safety Administration

[Docket No. PHMSA-2016-0005]

Pipeline Safety: Public Workshop on Liquefied Natural Gas Regulations

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Notice of public meeting.

SUMMARY: This notice is announcing a public meeting to solicit input and obtain background information for the formulation of a future regulatory change to 49 CFR part 193, Liquefied Natural Gas Facilities: Federal Safety Standards. PHMSA is co-sponsoring a two-day Liquefied Natural Gas (LNG) Workshop with the National Association of Pipeline Safety Representatives. PHMSA will also describe requirements for transporting LNG in commerce by rail, highway, and waterway, as authorized in the Federal Hazardous Materials Regulations in 49 CFR parts 100-185. This workshop will bring federal and state regulators, emergency responders, NFPA 59A technical committee members, industry, and interested members of the public together to participate in shaping a future LNG rule.

DATES: The public workshop will be held on May 18-19, 2016. Name badge pick up and on-site registration will be available starting at 7:00 a.m., with the workshop taking place from 8:30 a.m. until approximately 4:30 p.m. eastern time.

ADDRESSES: The workshop will be held at the U.S. Department of Transportation (DOT), 1200 New Jersey Avenue SE., Washington, DC 20590 in the atrium of the west building (New Jersey Avenue entrance, across the street from the Navy Yard Metro station). Attendees should arrive early to allow for time to go through security. Directions to DOT are located at <https://www.transportation.gov/directions>.

Online preregistration for the workshop is available until May 11, 2016. Refer to the meeting Web site for the latest information about the meeting including agenda and the webcast at <http://primis.phmsa.dot.gov/meetings/MtgHome.mtg?mtg=111> Presentations and a recording of proceedings will be available within 30 days after the event.

Registration: Members of the public may attend this free workshop. To help assure that adequate space is provided, attendees, both in person and by

webcast, should register in advance at the PHMSA public meeting Web site at <http://primis.phmsa.dot.gov/meetings/MtgHome.mtg?mtg=111> Onsite registration will also be available for those attending in person.

Important: Please be sure all representatives who plan to attend are registered. If you do not register for this meeting in advance, your entrance into the building may be delayed due to security processing. To enter the facility, all U.S. citizen visitors must have a valid U.S. or state government issued photo identification (driver's license, passport, etc.). If you do not have valid photo identification, you will not be permitted to enter the facility.

DOT is a secure U.S. Government building. All visitors and any items brought into the facility will be required to go through security screening each time they enter the building. **NOTE:** Screening luggage takes additional time at the entry checkpoint. If possible, please avoid bringing luggage.

If you are a non-U.S. citizen/foreign national and will be attending the meeting in person, please contact Janice.Morgan.CTR@dot.gov or 202-366-2392 to provide the following information: full name, official title or position, date of birth, country of citizenship, passport number or diplomatic identification number, and passport expiration date. Guest information is required at least five business days in advance of the meeting.

Comments: Members of the public may submit written comments either before or after the workshop. Comments should reference Docket No. PHMSA-2016-0005. Comments may be submitted in the following ways:
