These changes are based on a consensus recommendation of the Federal Prevailing Rate Advisory Committee (FPRAC) to best match the counties proposed for redefinition to nearby FWS survey areas.

**SUPPLEMENTARY INFORMATION:** On November 30, 2015, OPM issued a proposed rule (80 FR 74715) to abolish the Newburgh, NY, appropriated fund FWS wage area and redefine Orange County, NY, to the New York, NY, survey area; Dutchess County, NY, to

the New York area of application; Delaware and Ulster Counties, NY, to the Albany-Schenectady-Troy, NY, area of application; and Sullivan County, NY, to the Scranton-Wilkes-Barre, PA, area of application. FPRAC, the national labor-management committee responsible for advising OPM on matters concerning the pay of FWS employees, reviewed and recommended this change by consensus.

The 30-day comment period ended on December 30, 2015. OPM received one comment in support of the proposal and one comment regarding the effective date of the proposed change recommending retroactive applicability.

OPM defines wage areas through regulation in 5 CFR part 532. Changes in OPM's regulations are prospective, not retroactive, following an appropriate period for public comment. These changes will apply on the first day of the first applicable pay period beginning on or after 30 days following publication of the final regulations.

**BILLING CODE 6325-39-P****DEPARTMENT OF AGRICULTURE****Agricultural Marketing Service****7 CFR Parts 925 and 944**[Doc. No. AMS-FV-14-0100; FV15-925-1  
FR]**Grapes Grown in a Designated Area of Southeastern California and Imported Table Grapes; Revision to the Administrative Rules and Regulations for Shipments to Charitable Organizations****AGENCY:** Agricultural Marketing Service, USDA.**ACTION:** Final rule.

**SUMMARY:** This rule implements a recommendation from the California Desert Grape Administrative Committee (Committee) to revise the administrative rules and regulations of the Federal marketing order for grapes grown in a designated area of southeastern California (order) and the table grape import regulation. The Committee locally administers the order and is comprised of producers and handlers of grapes grown in the production area. This rule allows handlers and importers to ship grapes that do not meet the minimum grade and size quality requirements to be donated to charitable organizations. Any such grapes shall not be used for resale. The import regulation is authorized under section 608e of the Agricultural Marketing Agreement Act of 1937 and regulates the importation of table grapes into the United States. This

final rule provides an additional outlet for grapes regulated under the order and assists USDA's efforts to reduce food waste in support of the U.S. Food Waste Challenge.

**DATES:** Effective May 26, 2016.**FOR FURTHER INFORMATION CONTACT:**

**SUPPLEMENTARY INFORMATION:** This final rule is issued under Marketing Order No. 925 (7 CFR part 925), regulating the handling of table grapes grown in a designated area of southeastern California, hereinafter referred to as the "order." The order is effective under the Agricultural Marketing Agreement Act of 1937, as amended (7 U.S.C. 601-674), hereinafter referred to as the "Act."

This final rule is also issued under section 608e (8e) of the Act, which provides that whenever certain specified commodities, including table grapes, are regulated under a Federal marketing order, imports of these commodities into the United States are prohibited unless they meet the same or comparable grade, size, quality, or maturity requirements as those in effect for the domestically produced commodities.

The Department of Agriculture (USDA) is issuing this rule in conformance with Executive Orders 12866, 13563, and 13175.

This final rule has been reviewed under Executive Order 12988, Civil Justice Reform. This rule is not intended to have retroactive effect.

The Act provides that administrative proceedings must be exhausted before parties may file suit in court. Under section 608c(15)(A) of the Act, any handler subject to an order may file with USDA a petition stating that the order, any provision of the order, or any obligation imposed in connection with the order is not in accordance with law and request a modification of the order

or to be exempted therefrom. A handler is afforded the opportunity for a hearing on the petition. After the hearing, USDA would rule on the petition. The Act provides that the district court of the United States in any district in which the handler is an inhabitant, or has his or her principal place of business, has jurisdiction to review USDA's ruling on the petition, provided an action is filed not later than 20 days after the date of the entry of the ruling.

There are no administrative procedures which must be exhausted prior to any judicial challenge to the provisions of import regulations issued under section 8e of the Act.

This final rule revises the order's administrative rules and regulations and the import regulations to allow handlers and importers to ship grapes that do not meet the minimum grade and size quality requirements to be donated to charitable organizations. Any such grapes shall not be used for resale. This action provides an additional outlet for grapes regulated under the order and supports USDA's efforts to reduce food waste under the U.S. Food Waste Challenge. The change in the import regulation is required under section 8e of the Act. These actions were unanimously recommended by the Committee following deliberations at a public meeting held on November 5, 2013, and a required new Food Donation Form (CDGAC Form No. 8) was subsequently approved at a meeting held on October 30, 2014.

Section 925.54 of the order provides that regulations in effect pursuant to § 925.41, § 925.52, or § 925.55 may be modified, suspended, or terminated to facilitate handling of grapes for purposes which may be recommended by the Committee and approved by the Secretary, and that rules, regulations, and safeguards shall be prescribed to prevent grapes handled under the provisions of this section from entering the channels of trade for other than the specific purposes authorized by this section.

This final rule amends § 925.304 of the administrative rules and regulations to provide an outlet for grapes failing to meet inspection and quality requirements. The final rule allows handlers to donate such grapes to charitable organizations. Any such grapes may not be used for resale.

Accordingly, to prohibit such donated grapes from being sold, and to prevent other unauthorized distribution of such shipments, the Committee developed CDGAC Form No. 8 to track the shipment of these grapes and verify their receipt by the intended charitable organization.
