

August 19, 2015, a delinquency letter was sent by the Division of Corporation Finance to Medical Makeover Corp. of America requesting compliance with its periodic filing obligations, and Medical Makeover Corp. of America received the delinquency letter on August 24, 2015, but failed to cure its delinquencies.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Shades Holdings, Inc. (CIK No. 1488366), a Florida corporation with its principal place of business listed as Aventura, Florida with stock quoted on OTC Link under the ticker symbol SHDH, because it has not filed any periodic reports since the period ended June 30, 2013. On August 19, 2015, a delinquency letter was sent by the Division of Corporation Finance to Shades Holdings, Inc. requesting compliance with its periodic filing obligations, but it did not receive the delinquency letter due to its failure to maintain a valid address on file with the Commission as required by Commission rules (Rule 301 of Regulation S-T, 17 CFR 232.301 and Section 5.4 of EDGAR Filer Manual).

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed companies.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed companies is suspended for the period from 9:30 a.m. EDT on April 29, 2016, through 11:59 p.m. EDT on May 12, 2016.

By the Commission.

### Federal Aviation Administration

#### Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Operations Specifications, Part 129 Application

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew a previously approved information collection. The FAA assesses the information collected and issues operations specifications to foreign air carriers. These operations specifications assure the foreign air carrier's ability to navigate and communicate safely within the U.S. National Airspace System.

**DATES:** Written comments should be submitted by July 5, 2016.

**ADDRESSES:** Send comments to the FAA at the following address: Ronda Thompson, Room 441, Federal Aviation Administration, ASP-110, 950 L'Enfant Plaza SW., Washington, DC 20024.

**Public Comments Invited:** You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

**FOR FURTHER INFORMATION CONTACT:**

Ronda Thompson by email at: [Ronda.Thompson@faa.gov](mailto:Ronda.Thompson@faa.gov).

**SUPPLEMENTARY INFORMATION:**

*OMB Control Number:* 2120-0749.  
*Title:* Operations Specifications, Part 129 Application.

*Form Numbers:* There are no FAA forms associated with this collection.

*Type of Review:* Renewal of an information collection.

*Background:* The final rule published in 2013, clarified and standardized the rules for applications by foreign air carriers and foreign persons for operations specifications issued under 14 CFR part 129 and established standards for amendment, suspension and termination of those operations specifications. The final rule also applied to foreign air carriers and foreign persons operating U.S.-registered aircraft in common carriage solely outside the United States. This action was necessary to update the process for issuing operations specifications, and it established a regulatory basis for current practices, such as amending, terminating, and suspending operations specifications.

*Respondents:* Approximately 25 new applicants annually.
