SUPPLEMENTARY INFORMATION: The Boston Harbor Islands National Recreation Area Advisory Council is a Federal advisory committee established by 16 U.S.C. 460kkk(g).

The objectives and scope of the Council's activities as defined by the Act are to represent various groups with interests in the Boston Harbor Islands National Recreation Area and make recommendations to the Boston Harbor Islands Partnership on issues related to the development and implementation of the park's integrated resource management plan.

The Council is composed of 18 members appointed by the Director to three year terms. In accordance with the statute, the Director is to appoint no fewer than three individuals to represent each of the following categories of entities: (a) Municipalities; (b) educational and cultural institutions; (c) environmental organizations; (d) business and commercial entities (including those related to transportation, tourism and the maritime industry); (e) Boston Harbor Islands-related advocacy organizations; and (f) organizations representing Native American interests. We are currently seeking members to represent all categories.

Nominations should be typed and should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an informed decision regarding meeting the membership requirements of the Commission and permit the Department of the Interior to contact a potential member.

Members of the Commission serve without compensation. However, while away from their homes or regular places of business in the performance of services for the Commission as approved by the Designated Federal
