*Abstract of proposed collection:*

The goal of the “Employee Self Certification And Ability To Perform In Emergencies” (ESCAPE) program is to ensure that non-federal individuals who are being considered for a contracted position at a designated post are capable of the unique, potentially challenging and life threatening conditions at ESCAPE posts. These individuals are required to review with a medical provider the pre-deployment acknowledgement form (DS-6570) and then affirm that they understand the physical rigors and security conditions at these posts and can perform any specified emergency functions. Medical information is collected from medical providers and respondents during this review. The Department of State is requesting an emergency review and approval of this Information Collection so non-federal individuals who will be selected for assignments in June, 2016 can provide completed pre-deployment medical information. This Collection is allowed under the Foreign Service Act of 1980 (22 U.S.C. 3901) and the Basic Authorities Act of 1956 (22 U.S.C. 2651).

*Methodology:*

Information will be collected using a form (DS-6570) during a medical review between a non-federal individual and his/her medical provider. The individual will submit the completed form, signed by both the individual and provider, to the Office of Medical Services at the U.S. Department of State.

Dated: May 4, 2016.

[Public Notice: 9551]

**In the Matter of the Designation of Musa Abu Dawud, aka Moussa Abu Daoud, aka Moussa Bourahla, aka Abou Daoud, aka Bourahla Moussa, as a Specially Designated Global Terrorist Pursuant to Section 1(b) of Executive Order 13224, as Amended**

Acting under the authority of and in accordance with section 1(b) of Executive Order 13224 of September 23, 2001, as amended by Executive Order 13268 of July 2, 2002, and Executive Order 13284 of January 23, 2003, I hereby determine that the individual known as Moussa Abu Dawud, also known as Moussa Abu Daoud, also known as Moussa Bourahla, also known as Abou Daoud, also known as Bourahla Moussa committed, or poses a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States. Consistent with the determination in section 10 of Executive Order 13224 that “prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously,” I determine that no prior notice needs to be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This notice shall be published in the **Federal Register**.

[Public Notice: 9550]

**Bureau of Political-Military Affairs; Modification of Statutory Debarment Imposed Pursuant to Section 127.7(c) of the International Traffic in Arms Regulations—Rocky Mountain Instrument Company**

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the Department of State will consider license applications for the indirect participation of Rocky Mountain Instrument Company (“RMI”) in certain

transactions subject to the Arms Export Control Act (AECA) (22 U.S.C 2778) without the submission of a transaction exception request as an element of the application.

**DATES:** This notice is effective on May 9, 2016.

**FOR FURTHER INFORMATION CONTACT:** Sue Gainor, Director, Office of Defense Trade Controls Compliance, Bureau of Political-Military Affairs, U.S. Department of State (202) 632-2785.

**SUPPLEMENTARY INFORMATION:** On September 8, 2010, the Department notified the public of a statutory debarment imposed on RMI pursuant to ITAR § 127.7(c) related to RMI’s criminal conviction, 75 FR 54692. The notice provided that RMI is “prohibited from participating directly or indirectly in the export of defense articles, including technical data, or in the furnishing of defense services for which a license or other approval is required.” Further, the notice provided that:

Exceptions, also known as transaction exceptions, may be made to this debarment determination on a case-by-case basis at the discretion of the Assistant Secretary of State for Political-Military Affairs, after consulting with the appropriate U.S. agencies. However, such an exception would be granted only after a full review of all circumstances, paying particular attention to the following factors: Whether an exception is warranted by overriding U.S. foreign policy or national security interests; whether an exception would further law enforcement concerns that are consistent with the foreign policy or national security interests of the United States; or whether other compelling circumstances exist that are consistent with the foreign policy or national security interests of the United States, and that do not conflict with law enforcement concerns. Even if exceptions are granted, the debarment continues until subsequent reinstatement.

Notwithstanding the prohibition on indirect participation referenced in the original notice of statutory debarment, and in conformance with the stated policy and procedures regarding transaction exceptions, based on overriding national security and foreign policy concerns and after a thorough review of the circumstances surrounding the conviction and a finding that appropriate steps have been taken to mitigate law enforcement concerns, the Under Secretary for Arms Control and International Security has determined to approve specific exceptions from the debarment of RMI, available to persons other than RMI but excluding persons acting for or on behalf of RMI in contravention of ITAR § 127.1(d), for the following categories of authorization requests:

1. Applications submitted by persons other than RMI for the export or
