DEPARTMENT OF COMMERCE

National Institute of Standards and Technology

Proposed Information Collection; Comment Request; NIST Associates Information System

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before July 11, 2016.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Mary Clague, 301-975-4188, mary.clague@nist.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

NIST Associates (NA) will include guest researchers, research associates, contractors, and other non-NIST employees that require access to NIST campuses or NIST resources. The NIST Associates Information System (NAIS) information collection instrument(s) are

completed by the incoming NAs. The NAs will be requested to provide personal identifying data including home address, date and place of birth, employer name and address, and basic security information. The data provided by the collection instruments will be input into NAIS, which automatically populates the appropriate forms, and is routed through the approval process. NIST's Office of Security receives security forms through the NAIS process and is able to allow preliminary access to NAs to the NIST campuses or resources. The data collected will also be the basis for further security investigations as necessary.

II. Method of Collection

The information is collected in paper format.

III. Data

OMB Control Number: 0693-0067.

Form Number(s): None.

Type of Review: Extension of a current information collection.

Affected Public: Individuals or households.

Estimated Number of Respondents: 4,000.

Estimated Time per Response: 30 minutes.

Estimated Total Annual Burden Hours: 2,000.

Estimated Total Annual Cost to Public: \$0.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: May 5, 2016.

Glenna Mickelson,

Management Analyst, Office of the Chief Information Officer.

SUPPLEMENTARY INFORMATION:

Agenda

The NTAP is a joint advisory panel of the Mid-Atlantic and New England Fishery Management Council. It is composed of Council members, fishing industry, academic, and government and non-government fisheries experts who will provide advice and direction on the conduct of trawl research. The NTAP was established to bring commercial fishing, fisheries science, and fishery management professionals in the northeastern U.S. together to identify concerns about regional research survey performance and data, to identify methods to address or mitigate these concerns, and to promote mutual understanding and acceptance of the results of this work among their peers and in the broader community.

Topics to be discussed at the meeting include review of recent NEFSC bottom trawl survey analyses, NEFSC bottom trawl survey re-stratification efforts, and NEFSC gear efficiency work; develop recommended actions by the NTAP; and discussion of the use of currently contracted NEFSC vessel time and methods to supplement NEFSC surveys,

potential new surveys, and other NTAP recommendations and actions.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to M. Jan Saunders, (302) 526-5251, at least 5 days prior to the meeting date.

The Benefits, Challenges, and Potential Roles for the Government in Fostering the Advancement of the Internet of Things

AGENCY: National Telecommunications and Information Administration, U.S. Department of Commerce.

ACTION: Notice; extension of comment period.

SUMMARY: On April 6, 2016, the National Telecommunications and Information Administration (NTIA) issued a notice and request for public comments to initiate an inquiry to review the current technological and policy landscape for the Internet of Things (IoT). In response to requests for additional time in which to comment, NTIA through this notice extends the closing deadline for submitting comments.

DATES: Comments are due on Thursday, June 2, 2016, by 5 p.m. Eastern Daylight Time.

ADDRESSES: Written comments may be submitted by email to iotrfc2016@ntia.doc.gov. Comments submitted by email should be machine-searchable and should not be copy-protected.

Written comments also may be submitted by mail to the National Telecommunications and Information Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Room 4725, Attn: IoT RFC 2016, Washington, DC 20230. Responders should include the name of the person or organization filing the comment, as well as a page number, on each page of their submissions. All comments received are a part of the public record and will generally be posted to <https://www.ntia.doc.gov/category/internet->

policy-task-force without change. All personal identifying information (*e.g.*, name, address) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information. NTIA will also accept anonymous comments.

FOR FURTHER INFORMATION CONTACT:

Travis Hall, National Telecommunications and Information Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Room 4725, Washington, DC 20230; Telephone: (202) 482-3522; Email: thall@ntia.doc.gov. Please direct media inquiries to NTIA's Office of Public Affairs: (202) 482-7002.

SUPPLEMENTARY INFORMATION: As part of the Commerce Department's Digital Economy Agenda, NTIA has initiated an inquiry to review the current technological and policy landscape for IoT. NTIA seeks input from all interested stakeholders—including the private industry, researchers, academia, and civil society—on the potential benefits and challenges of these technologies and what role, if any, the U.S. Government should play in this area.¹

After analyzing the comments, the Department intends to issue a "green paper" that identifies key issues impacting deployment of these technologies, highlights potential benefits and challenges, and identifies possible roles for the federal government to partner with the private sector to in foster the advancement of IoT technologies.

The original deadline for submission of comments was May 23, 2016. With this notice, NTIA announces that the closing deadline for submission of comments has been extended until June 2, 2016, at 5 p.m. Eastern Daylight Time.

Dated: May 6, 2016.

Kathy D. Smith,

Chief Counsel, National Telecommunications and Information Administration.
