Agenda

Pursuant to 5 U.S.C. 552b and 41 CFR 102-3.155, in the interest of national security, the DoD has determined that the first presentation in the morning of June 2, 2016 will be closed to the public. The topic is a presentation on the mission and functions of the National Center for Medical Intelligence. The Assistant Secretary of Defense (Health Affairs), in consultation with the Office of the DoD General Counsel, has determined in writing that the public interest requires that the first presentation in the morning session on June 2, 2016 be closed to the public because it will concern matters listed in section 552b(c)(1) of title 5, United States Code. The classified materials are so inextricably intertwined with the unclassified material that they cannot be reasonably segregated into separate discussions without disclosing SECRET material. Specifically, the information presented meets criteria established by an Executive Order to be kept secret in the interest of national defense and foreign policy.

Pursuant to 5 U.S.C. 552b and 41 CFR 102-3.140 through 102-3.165 and subject to availability of space, the DHB meeting is open to the public from 10:15 a.m. to 11:45 a.m. on June 2, 2016, and from 12:45 p.m. to 5:00 p.m. The DHB will receive a progress update from the Health Care Delivery Subcommittee on the pediatric clinical preventive services review and an update from the Public Health Subcommittee on their review of improving Defense Health Program medical research processes. In addition, the DHB anticipates receiving information briefings on Defense Advanced Research Projects Agency medical research, the Army Study to Assess Risk and Resilience in Servicemembers (STARRS), the Infectious Disease Clinical Research Program, and Advances in the Use of Whole Blood for Combat Trauma Resuscitation. Any changes to the agenda can be found at the link provided in this **SUPPLEMENTARY INFORMATION** section.

Public’s Accessibility to the Meeting

Pursuant to 5 U.S.C. 552b, and 41 CFR 102-3.140 through 102-3.165 and subject to availability of space, this meeting is open to the public. Seating is limited and is on a first-come basis. All

Any member of the public wishing to provide comments to the DHB may do so in accordance with section 10(a)(3) of the Federal Advisory Committee Act, 41 CFR 102–3.105(j) and 102–3.140, and the procedures described in this notice.

Individuals desiring to provide comments to the DHB may do so by submitting a written statement to the DHB Designated Federal Officer (DFO) (see **FOR FURTHER INFORMATION CONTACT**). Written statements should not be longer than two type-written pages and address the following details: The issue, discussion, and a recommended course of action. Supporting documentation may also be included, as needed, to establish the appropriate historical context and to provide any necessary background information.

If the written statement is not received at least five (5) business days prior to the meeting, the DFO may choose to postpone consideration of the statement until the next open meeting.
