**Federal Aviation Administration**

**Noise Exposure Map Notice; Receipt of Noise Compatibility Program and Request for Review Boise Air Terminal (Gowen Field) Boise, ID; Correction**

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice of Noise Exposure Maps, Correction.

**SUMMARY:** This action corrects the noise exposure map notice and receipt of noise compatibility program and request for review published on May 10, 2016. In that document, the FAA has determined that the noise exposure maps submitted by the City of Boise, ID, for the Boise Air Terminal (Gowen Field), Boise, ID, are in compliance with applicable requirements, and that it is reviewing a proposed noise compatibility program that was submitted for Boise Air Terminal (Gowen Field) under part 150 in conjunction with the Noise Exposure Map, and that this program be approved or disapproved on or before October 29, 2016. This document corrects an error in the **SUPPLEMENTARY INFORMATION** showing Great Falls International Airport instead of Boise Air Terminal (Gowen Field).

**DATES:** The comment period ends July 1, 2016.
