SUPPLEMENTARY INFORMATION:

Title: 7 CFR part 226, Child and Adult Care Food Program.

OMB Number: 0584-0055.

Expiration Date: September 30, 2016.

Type of Request: Revision of a currently approved collection.

Abstract: Section 17 of the Richard B. Russell National School Lunch Act (NSLA), as amended, (42 U.S.C. 1766), authorizes the CACFP to provide cash reimbursement and commodity assistance, on a per meal basis, for food service to children in nonresidential child care centers and family day care homes, and to eligible adults in nonresidential adult day care centers. The U.S. Department of Agriculture, through the Food and Nutrition Service, has established application, monitoring, and reporting requirements to manage the CACFP effectively. The purpose of this submission to OMB is to obtain approval to continue the discussed information collection. States and service institutions participating in the CACFP will submit to FNS account and record information reflecting their efforts to comply with statutory and regulatory Program requirements. Examples of data collected and reported with this collection include, but are not limited to: applications and supporting documents; records of enrollment; records supporting the free and reduced price eligibility determinations; daily records indicating numbers of program participants in attendance and the number of meals served by type and category; and receipts, invoices and other records of CACFP costs and

documentation of non-profit operation of food service.

This is a revision of a currently approved collection. It revises reporting burden as a result of increases in the number of sponsoring organizations and facilities, and an increase in the number of enrolled participants, who are required to submit information. It also adds a new requirement for written documentation when requesting substitutions for fluid milk or food components for participants with special non-disability, dietary needs. This requirement is added by the regulation *Child and Adult Care Food Program: Meal Pattern Revisions Related to the Healthy, Hunger-Free Kids Act of 2010*, published April 25, 2016 to 7 CFR 226.20 (g) *Exceptions and variations in reimbursable meals*.

This revision removes two reporting requirements that had been duplicated in the current burden estimate (*i.e.* counted twice), and one typed error in the number of day care home sponsors, which reduce the burden. Current OMB inventory for this collection consists of 2,234,840 hours. As a result of program changes and adjustments, program burden was increased slightly by 236,715 hours since last renewal. The average burden per response and the annual burden hours for reporting and recordkeeping are explained below and summarized in the charts which follow.

Affected Public: 56 State agencies, 21,052 Institutions, 180,740 facilities (includes 113,847, family day care homes and 66,893 sponsored center facilities) and 4,055,172 households.

Estimated Number of Respondents: 4,257,020.

Estimated Number of Responses per Respondent: 1.824365.

Estimated Total Annual Responses: 7,766,360.

Estimate Time per Response: 0.318238 hrs.

Foreign-Trade Zones Board

[B-32-2016]

**Foreign-Trade Zone 110—
 Albuquerque, New Mexico; Application
 for Reorganization Under Alternative
 Site Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the City of Albuquerque, New Mexico, grantee of FTZ 110, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on May 10, 2016.

FTZ 110 was approved by the FTZ Board on October 30, 1984 (Board Order 279, 49 FR 44516, November 7, 1984) and expanded on March 29, 2002 (Board Order 1214, 67 FR 17048-17049, April 9, 2002).

The current zone includes the following site: *Site 1* (62 acres)—Albuquerque International Sunport Airport Complex, University and Spirit Drive, Albuquerque.

The grantee’s proposed service area under the ASF would include all of Bernalillo, Sandoval, Santa Fe, Tarrant, Socorro and Valencia Counties, New Mexico, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Albuquerque, New Mexico U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include the existing site as a “magnet” site. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No subzones/usage-driven sites are being requested at this time. The application would have no impact on FTZ 110’s previously authorized subzones.

In accordance with the FTZ Board’s regulations, Christopher Kemp of the FTZ Staff is designated examiner to

evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is July 18, 2016. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 1, 2016.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz. For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482-0862.

Dated: May 10, 2016.
