AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule.

SUMMARY: The Department of the Treasury's Office of Foreign Assets Control (OFAC) is amending the Burmese Sanctions Regulations to add a general license authorizing certain transactions related to U.S. persons residing in Burma. Web site on the Burma sanctions page, and expanding this authorization to allow certain transactions incident to the movement of goods within Burma that otherwise would be prohibited. Finally, OFAC is expanding and updating another existing authorization allowing most transactions involving certain blocked financial institutions.

DATES: *Effective:* May 18, 2016.

Background

On June 30, 2014, the Department of the Treasury's Office of Foreign Assets Control (OFAC) amended and reissued in their entirety the Burmese Sanctions Regulations, 31 CFR part 537 (the "Regulations"), to implement Executive Order 13448 of October 18, 2007, "Blocking Property and Prohibiting Certain Transactions Related to Burma," Executive Order 13464 of April 30, 2008, "Blocking Property and Prohibiting Certain Transactions Related to Burma," Executive Order 13619 of July 11, 2012, "Blocking Property of Persons Threatening the Peace, Security, or Stability of Burma," and Executive Order 13651 of August 6, 2013, "Prohibiting Certain Imports of Burmese Jadeite and Rubies" (79 FR 37106).

Following Burma's peaceful and competitive elections in 2015, the U.S. Government is taking additional steps to support Burma's political reforms and broad-based economic growth.

Transactions related to U.S. persons residing in Burma. OFAC is adding a general license in section 537.525 to authorize certain transactions related to maintenance of U.S. persons residing in Burma, including payment of living expenses and acquisition of goods or services for personal use. This general license complements the existing exemption in section 537.210(c) of the Regulations for travel to or from Burma, including maintenance within Burma, such as payment of living expenses and acquisition of goods or services for personal use.

Trade-related transactions. In December 2015, OFAC issued and made available on its Web site General License No. 20, a six-month general license authorizing certain transactions ordinarily incident to exportations to or from Burma of goods, technology, or non-financial services that are otherwise prohibited by the Regulations and unblocking certain previously blocked transactions. Today, OFAC is amending the Regulations by adding section 537.532 to incorporate that general license, to remove its six-month time limitation, and to expand this authorization to allow additional transactions incident to the movement of goods within Burma.

Banking services. In February 2013, OFAC issued and made available on its Web site General License No. 19, and subsequently added this authorization to the Regulations at section 537.531, authorizing most transactions, including opening and maintaining accounts and conducting other financial services, involving four of Burma's major financial institutions that were then included on OFAC's Specially Designated Nationals and Blocked Persons List (SDN List): Asia Green Development Bank, Ayeyarwady Bank, Myanma Economic Bank (MEB), and Myanma Investment and Commercial Bank (MICB). In an action coordinated with these regulatory amendments, OFAC has delisted two of these financial institutions, MEB and MICB. As a result of that action, transactions involving these two institutions are no longer prohibited and therefore do not require an OFAC license. Accordingly, OFAC is amending section 537.531 to remove their names. At the same time, to further support Burma's broad-based economic growth, OFAC is adding two other Burmese financial institutions, Innwa Bank and Myawaddy Bank, to the general license at section 537.531,

thereby authorizing most transactions involving those institutions.

Public Participation

Because the Regulations involve a foreign affairs function, the provisions of Executive Order 12866 and the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, opportunity for public participation, and delay in effective date are inapplicable. Because no notice of proposed rulemaking is required for this rule, the Regulatory Flexibility Act (5 U.S.C. 601–612) does not apply.

Paperwork Reduction Act

The collections of information related to the Regulations are contained in 31 CFR part 501 (the "Reporting, Procedures and Penalties Regulations"). Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3507), those collections of information have been approved by the Office of Management and Budget under control number 1505–0164. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid control number.

■ 2. Add § 537.525 to read as follows:

§ 537.525 Certain transactions related to U.S. persons residing in Burma authorized.

(a) U.S. persons are authorized to engage in transactions in Burma ordinarily incident to the routine and necessary maintenance within Burma, including payment of living expenses and acquisition of goods or services for personal use, of U.S. person individuals who reside in Burma.

(b) Nothing in this section authorizes transactions related to employment of a U.S. person by a person whose property and interests in property are blocked pursuant to § 537.201(a).

L. 107–56) (USA PATRIOT Act) do not apply to the operation of correspondent accounts for Asia Green Development Bank, Ayeyarwady Bank, Innwa Bank, and Myawaddy Bank, or to transactions conducted through such accounts, provided the transactions are

authorized pursuant to this part, and therefore fall within the exception set forth in 31 CFR 1010.651(b)(3). This section does not affect any obligation of U.S. financial institutions processing such transactions to conduct enhanced due diligence under Section 312 of the USA PATRIOT Act. Coast Guard

33 CFR Part 117

[Docket No. USCG-2016-0406]

Drawbridge Operation Regulation; Lake Champlain, North Hero Island, VT

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the US2 Bridge across Lake Champlain (The Gut), mile 91.8, between North Hero and South Hero Island, Vermont. This deviation is necessary to allow the bridge owner to perform mechanical and electrical repairs at the bridge.

DATES: This deviation is effective without actual notice from May 18, 2016 to 8 a.m. on June 15, 2016. For the purposes of enforcement, actual notice will be used from 8 a.m. on May 15, 2016, until May 18, 2016.

ADDRESSES: The docket for this deviation, USCG-2016-0406, is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH". Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary deviation, call or email Jim Rousseau; Project Officer, First Coast Guard District, telephone (617) 223-8619, email james.l.rousseau2@uscg.mil.

SUPPLEMENTARY INFORMATION: The US2 Bridge across Lake Champlain, at North Hero Island, Vermont, has a vertical clearance in the closed position of 18 feet at mean high water. The existing bridge operating regulations are found at 33 CFR 117.993(b).

The subject waterway is typically transited by seasonal, recreational vessels of various sizes. Several marina facilities are in the area of the bridge with local vessels requesting bridge openings several times a week.

The bridge owner, Vermont Agency of Transportation, requested a temporary deviation from the normal operating schedule to facilitate mechanical and electrical repairs at the bridge. In response to the request, the Coast Guard's First District has approved a deviation from 8 a.m. on May 15, 2016 until 8 a.m. June 15, 2016.

During the time of this temporary deviation, the US2 Bridge shall open on signal on the hour, but it will not open on the half hour. Also during the time of this temporary deviation, the US2 Bridge will be open by use of an auxiliary drive system not designed for high-speed openings, which means the bridge will open more slowly than it does under normal operations.

Vessels that are able to pass under the bridge in the closed position may do so at anytime. The bridge will be able to open for emergencies, and there is an alternate route for vessels to pass to the north under the Alburg Passage US2 fixed bridge, which has a vertical clearance of 26 feet at mean high water.

The Coast Guard will inform the users of the waterways through our Local Notice and Broadcast to Mariners of the change in operating schedule for the bridge so that vessel operations can arrange their transits to minimize any impact caused by the temporary deviation.
