**SUPPLEMENTARY INFORMATION:** The Board provides OJP's Assistant Attorney General with valuable advice in the areas of social science and statistics for the purpose of enhancing the overall impact and performance of its programs and activities in the areas of criminal and juvenile justice. The Board may advise on program development and recommend guidance to assist in OJP's adherence to the highest levels of scientific rigor as appropriate. The Board provides an important base of contact with the criminal justice and juvenile justice academic and practitioner communities. More information about the composition and

responsibilities of the Board is available at: <http://ojp.gov/sab.htm>.

Prospective members of the Board need to be experienced practitioners in the field of criminal justice, public safety, or juvenile justice; or researchers or statisticians in those fields. At this time, we are particularly interested in applications from senior practitioners in State public safety agencies.

After consideration of the nominations, the Attorney General will appoint one or more new members to the Board. The Attorney General will select members based on their individual qualifications, as well as the overall need to achieve a balanced representation of viewpoints, subject matter expertise, regional knowledge, and representation of communities of interest. Nominees will be appointed to an initial term of four (4) years beginning in spring, 2017. Following completion of their first term, a Board member may request consideration for reappointment to an additional term. Reappointment is not guaranteed.

Typically, the Board meets twice per year (spring and fall) in Washington, DC. Between these meetings, Board subcommittees are expected to work via conference calls and email exchanges. Members of the Board and its subcommittees serve without pay. However, while away from their homes or regular places of business in the performance of services of the Board, members may be reimbursed for travel expenses, including per diem.

Individuals who are federally registered lobbyists are ineligible to serve on all Federal Advisory Committee Act (FACA) and non-FACA boards, committees, or councils in an individual capacity.

**Submitting Nominations:** Nominations should include a resume providing an adequate description of the nominee's qualifications, including information that would enable the Department of Justice to make an informed decision regarding meeting the membership requirements of the Board and permit the Department of Justice to contact a potential member.

Any interested person or entity may nominate one or more qualified individuals for membership on the Board. Self-nominations are also accepted. Persons or entities submitting nomination packages on the behalf of others must confirm that the

individual(s) is/are aware of their nomination.
