Underground Injection Control Program; Hazardous Waste Injection Restrictions; Petition for Exemption Reissuance—Class I Hazardous Waste Injection; INEOS Nitriles USA LLC (INEOS)—Green Lake Complex, Port Lavaca, Texas

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of a final decision on a no migration petition reissuance.

SUMMARY: Notice is hereby given that a reissuance of an exemption to the land disposal Restrictions, under the 1984 Hazardous and Solid Waste Amendments to the Resource Conservation and Recovery Act, has been granted to INEOS for three Class I hazardous waste injection wells located at their Green Lake Complex located in Port Lavaca, Texas. The company has adequately demonstrated to the satisfaction of the Environmental Protection Agency by the petition reissuance application and supporting documentation that, to a reasonable degree of certainty, there will be no migration of hazardous constituents from the injection zone for as long as the waste remains hazardous. This final decision allows the underground injection by INEOS, of the specific restricted hazardous wastes identified in this exemption reissuance, into Class I hazardous waste injection Wells WDW-163, WDW-164, and WDW-165 until December 31, 2017, unless EPA moves to terminate this exemption. Additional conditions included in this final decision may be reviewed by contacting the Region 6 Ground Water/UIC Section. A public notice was issued March 16, 2016, and the public comment period closed on May 2, 2016. No comments were received. This decision constitutes final Agency action and there is no Administrative appeal. This decision may be reviewed/appealed in compliance with the Administrative Procedure Act.

DATES: This action is effective as of May 16, 2016.

It also helps the public to understand the EEOC's information collection requirements and provide the requested data in the desired format. The EEOC is soliciting comments on the information collection that is described below. The EEOC is especially interested in public comment that will assist the EEOC in the following: (1) Evaluating whether the collection of information is necessary for the proper performance of the Commission's functions, including whether the information will have practical utility; (2) Evaluating the accuracy of the Commission's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (3) Enhancing the quality, utility, and clarity of the information to be collected; and (4) Minimizing the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. Workers Benefit Protection Act of 1990 (OWBPA), 29 CFR 1625.22.

OMB Number: 3046-0042.

Type of Respondent: Business, State or local governments, not for profit institutions.

Description of Affected Public: Any employer with 20 or more employees that seeks waiver agreements in connection with an exit incentive or other employment termination program.

Number of Responses: 17,350.

Reporting Hours: 26,025.

Burden Statement: The only paperwork burden involved is the inclusion of the relevant data in requests for waiver agreements under the OWBPA.

Abstract: The EEOC enforces the Age Discrimination in Employment Act (ADEA) which prohibits discrimination against employees and applicants for employment who are age 40 or older. The OWBPA, enacted in 1990, amended the ADEA to require employers to disclose certain information to employees (but not to EEOC) in writing when they ask employees to waive their rights under the ADEA in connection with an exit incentive program or other employment termination program. The regulation at 29 CFR 1625.22 reiterates those disclosure requirements. The EEOC seeks an extension without change for the third-party disclosure requirements contained in this regulation.

For the Commission.

Dated: May 23, 2016.
