SUPPLEMENTARY INFORMATION: Sections 312 and 315 of the Coastal Zone Management Act (CZMA) require NOAA to conduct periodic evaluations of federally approved national estuarine research reserves. The process includes a public meeting, consideration of written public comments and consultations with interested Federal, state, and local agencies and members of the public. During the evaluation, NOAA will consider the extent to which the state has met the national objectives, adhered to the final management plan approved by the Secretary of Commerce, and adhered to the terms of financial assistance under the CZMA. When the evaluation is completed, NOAA's Office for Coastal Management will place a notice in the **Federal Register** announcing the availability of the Final Evaluation Findings.

Specific information on the periodic evaluation of reserves that are the subject of this notice are detailed below:

Tijuana River National Estuarine Research Reserve Evaluation

You may participate or submit oral comments at the public meeting scheduled as follows:

Date: July 19, 2016.

Time: 6 p.m., local time.

Location: 301 Caspian Way, Imperial Beach, California 91932.

Written comments must be received on or before July 29, 2016.

Availability of Final Evaluation Findings of Other State and Territorial Coastal Programs

The NOAA Office for Coastal Management has completed review of the Coastal Zone Management Program evaluations for the state of Florida. The state was found to be implementing and enforcing their federally approved coastal management program, addressing the national coastal management objectives identified in CZMA Section 303(2)(A)-(K), and adhering to the programmatic terms of their financial assistance awards. Copies of the final evaluation findings may be downloaded at http://coast.noaa.gov/czm/evaluations/evaluation_findings/index.html or by submitting a written request to the person identified under **FOR FURTHER INFORMATION CONTACT.**

Dated: May 23, 2016.
