

Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain stainless steel products, certain processes for manufacturing or relating to same, and certain products containing same by reason of the misappropriation of trade secrets, the threat or effect of which is to destroy or substantially injure an industry in the United States. *Id.* The notice of investigation names as respondents (1) Viraj Profiles of Mumbai, India; Viraj Holdings P. Ltd. of Mumbai, India; Viraj—U.S.A., Inc. of Garden City, New York; (2) Flanschenwerk Bebitz GmbH of Könnern, Germany; Bebitz Flanges Works Pvt. Ltd. of Maharashtra, India; Bebitz U.S.A. of Garden City, New York; and Ta Chen Stainless Pipe Co., Ltd. of Tainan, Taiwan and Ta Chen International, Inc. of Long Beach, California. *Id.* The Office of Unfair Import Investigations also was named as a party to the investigation. *Id.*

On December 8, 2015, the administrative law judge (“ALJ”) issued an initial determination (“ID”) (Order No. 17) granting in part Valbruna’s motion for default and other relief. The ALJ found that Viraj Profiles acted in bad faith in spoliating evidence and that a sanction of default against Viraj Profiles was warranted. On February 8, 2016, the Commission determined to review Order No. 17, and, in that notice of review, determined to affirm the default finding against Viraj Profiles, noting that supplemental reasoning would be provided in a forthcoming opinion. 81 FR 7584 (Feb. 12, 2016). The Commission also requested briefing from the parties on certain issues on review, and requested briefing from the parties, interested government agencies, and any other interested persons on the issues of remedy, the public interest, and bonding. *Id.*

On February 18, 2016, the parties filed initial written submissions addressing the Commission’s questions and remedy, the public interest, and bonding. Also, on February 18, 2016, several non-parties filed responses to the Commission’s February 8, 2016 notice, including Forging Industry Association, Central Wire Inc., Sumiden Wire Products Corporation, Tree Island Steel, Tri Star Metals, LLC, Carpenter Technology Corporation, Crucible Industries LLC, Electralloy (G.O. Carlson Inc., Co.), North American Stainless, Outokumpu Stainless USA, LLC, and Universal Stainless & Alloy Products, Inc. On February 24, 2016, U.S. Representatives Tim Murphy and Peter J. Visclosky, the respective

Chairman and Vice Chairman of the Congressional Steel Caucus, also filed a response to the Commission’s February 8, 2016 notice. On February 25, 2016, the parties filed reply submissions. Also, on February 25, 2016, several non-parties filed reply submissions, including American Wire Producers Association, Alloy Screen Works, Inc., Cincinnati Metals Inc., Kerkau Mfg., Carpenter Technology Corporation, Crucible Industries LLC, Electralloy (G.O. Carlson Inc., Co.), North American Stainless, Outokumpu Stainless USA, LLC, and Universal Stainless & Alloy Products, Inc. On February 25, 2016, U.S. Senator Joe Donnelly of Indiana also filed a response to the Commission’s February 8, 2016 notice.

On March 3, 2016, the ALJ issued an ID (Order No. 19) granting Valbruna’s motion for partial termination of the investigation based on withdrawal of the complaint against all respondents except Viraj Profiles. On April 4, 2016, the Commission determined not to review Order No. 19. Notice (Apr. 4, 2016).

Having examined the record of this investigation, including the various IDs and the parties’ submissions, the Commission has determined to vacate the portions of Order No. 17 with respect to (1) disgorgement and (2) denial of Valbruna’s request for leave to assert additional operating practices.

The Commission has determined the appropriate remedy is a limited exclusion order prohibiting, for 16.7 years from the date of the order, the entry of stainless steel products manufactured by or on behalf of Viraj Profiles using any of the misappropriated trade secrets identified in Valbruna’s complaint (*see Compl. ¶¶ 27–33, 51* and accompanying exhibits). The Commission has also determined to issue a cease and desist order prohibiting Viraj Profiles from, *inter alia*, importing or selling the subject products. The Commission has determined that the public interest factors enumerated in section 337(d) and (f), 19 U.S.C. 1337(d), (f), do not preclude the issuance of the limited exclusion order or the cease and desist order. The Commission has determined to apply a bond in the amount of 13.4 percent of the entered value of excluded products imported or sold during the period of Presidential review (19 U.S.C. 1337(j)).

The Commission’s order and opinion were delivered to the President and to the United States Trade Representative on the day of their issuance.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as

amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: May 25, 2016.

Lisa R. Barton,

Secretary to the Commission.

SUPPLEMENTARY INFORMATION:

Background.—On December 28, 1994, the Department of Commerce (“Commerce”) issued an antidumping duty order on imports of cased pencils from China (59 FR 66909). Following first five-year reviews by Commerce and the Commission, effective August 10, 2000, Commerce issued a continuation of the antidumping duty order on imports of cased pencils from China (65 FR 48960). Following second five-year reviews by Commerce and the Commission, effective December 20, 2005, Commerce issued a second continuation of the antidumping duty order on imports of cased pencils from China (70 FR 75450). Following the third five-year reviews by Commerce and the Commission, effective July 12, 2011, Commerce issued a continuation of the antidumping duty order on imports of cased pencils from China (76 FR 40880). The Commission is now conducting a fourth review pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission’s Rules of Practice and Procedure at 19 CFR parts 201, Subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission’s determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to this review:

(1) **Subject Merchandise** is the class or kind of merchandise that is within the scope of the five-year review, as defined by Commerce.

(2) The **Subject Country** in this review is China.

(3) The **Domestic Like Product** is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the **Subject Merchandise**. In its original determination and its expedited first, second, and third five-year review determinations, the Commission defined the **Domestic Like Product** as all

cased pencils, coextensive with Commerce’s scope.

(4) The **Domestic Industry** is the U.S. producers as a whole of the **Domestic Like Product**, or those producers whose collective output of the **Domestic Like Product** constitutes a major proportion of the total domestic production of the product. In its original determination and its expedited first, second, and third five-year review determinations, the Commission defined the **Domestic Industry** as all domestic producers of cased pencils. In its original determination, the Commission excluded one domestic producer from the **Domestic Industry** under the related parties provision. In its third five-year review determination, the Commission excluded one domestic producer, Dixon Ticonderoga, from the **Domestic Industry** under the related parties provision. Certain Commissioners defined the **Domestic Industry** differently in the third five-year review determination.

(5) An **Importer** is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the **Subject Merchandise** into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the **Subject Merchandise** and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission’s rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission’s designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR

201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission’s rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter’s knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.—Pursuant to section 207.61 of the Commission’s rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is July 1, 2016. Pursuant to section 207.62(b) of the Commission’s rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct an expedited or full review. The deadline for filing such comments is August 15, 2016. All written submissions must conform with the

provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's Handbook on E-Filing, available on the Commission's Web site at <http://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing. Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determination in the review.
