

As a voluntary program, P25 CAP allows suppliers to publicly attest to their products' compliance with a selected group of requirements through Summary Test Report (STR) and Supplier's Declaration of Compliance (SDOC) documents based on the Detailed Test Report (DTR) from the DHS-recognized laboratory (ies) that performed the product testing. In turn, P25 CAP makes these documents available to the first response community to inform their purchasing decisions via the *FirstResponder.gov/P25CAP* Web site.

Membership

The Science and Technology Directorate (S&T) of DHS formed the P25 CAP Advisory Panel to provide S&T with the views of active State, local, tribal, territorial and Federal government officials who use or whose offices use portable handheld and mobile vehicle-mounted radios. Those government officials selected to participate in the P25 CAP AP are selected based on their experience with the management and procurement of land mobile radio systems or knowledge of conformity assessment programs and methods. The OIC selection process balances viewpoints required to effectively address P25 CAP issues under consideration. To fill an open position on the P25 CAP AP, OIC is particularly interested in receiving nominations and expressions of interest from individuals in the following categories:

- State, local, tribal, or territorial government agencies and organizations with expertise in communications issues and technologies.
- Federal government agencies with expertise in communications or homeland security matters.

While OIC can call for a meeting of the P25 CAP AP as it deems necessary and appropriate, for member commitment and planning purposes, it is anticipated that the P25 CAP AP will meet approximately 3–4 times annually in their role of providing guidance and support to the P25 CAP.

Those selected to serve on the P25 CAP AP will be required to sign a gratuitous services agreement and will not be paid or reimbursed for their participation; however, DHS S&T will, subject to the availability of funds, reimburse the travel expenses associated with the participation of non-Federal members in accordance with Federal Travel Regulations. The OIC reserves the right to select primary and alternate members to the P25 CAP AP for terms appropriate for the accomplishment of

the Board's mission. Members serve at the pleasure of the OIC Director.

Registered lobbyists pursuant to the Lobbying Disclosure Act of 1995 are not eligible for membership on the P25 CAP AP and will not be considered.

Roles and Responsibilities

The duties of the P25 CAP AP will include providing recommendations of its individual members to OIC regarding actions and steps OIC could take to promote the P25 CAP. The duties of the P25 CAP AP may include but are not limited to its members reviewing, commenting on, and advising on:

- The laboratory component of the P25 CAP under established, documented laboratory recognition guidelines.
- Proposed Compliance Assessment Bulletins (CABs).
- Proposed updates to previously approved CABs, as Notices of Proposed CABs, to enable comment and input on the proposed CAB modifications.
- OIC updates to existing test documents or establishing new test documents for new types of P25 equipment.
- Best practices associated with improvement of the policies and procedures by which the P25 CAP operates.
- Existing test documents including but not limited to Supplier Declarations of Compliance (SDOCs) and Summary Test Reports (STRs) posted on the *FirstResponder.gov/P25CAP* Web site.
- Proposed P25 user input for improving functionality through the standards-making process.

Nominations/Expressions of Interest Procedures and Deadline

Nominations and expressions of interest shall be received by OIC no later than 30 days from the date of this notice at the address: (*SandTFRC@hq.dhs.gov*). Nominations and expressions of interest received after this date shall not be considered. Each nomination and expression of interest must provide the following information as part of the submission:

- A cover letter that highlights a history of proven leadership within the public safety community including, if applicable, a description of prior experience with law enforcement, fire response, emergency medical services, emergency communications, National Guard, or other first responder roles and how the use of communications in those roles qualifies the nominee to participate on the P25 CAP AP.
- Name, title, and organization of the nominee.
- A résumé summarizing the nominee's contact information

(including the mailing address, phone number, facsimile number, and email address), qualifications, and expertise to explain why the nominee should be appointed to the P25 CAP AP.

- The résumé must demonstrate a minimum of ten years (10) years of experience directly using P25 systems in an operational environment in support of established public safety communications or from a system implementer/administrator perspective; a bachelor's or associate degree with an emphasis in communications and engineering may be substituted for three (3) years, a master's/professional certification for seven (7) years, and a Ph.D. for ten (10) years of the requirement.

- The resume must discuss the nominee's familiarity with the current P25 CAP, including documents that are integral to the process such as the SDOCs, STRs, and CABs referenced in this notice.

- A letter from the nominee's supervisor indicating the nominee's agency's support for the nominee to participate on the P25 CAP AP as a representative from their respective agency.

- Disclosure of Federal boards, commissions, committees, task forces, or work groups on which the nominee currently serves or has served within the past 12 months.

- A statement confirming that the nominee is not registered as a lobbyist pursuant to the Lobbying Disclosure Act of 1995.

BILLING CODE 9110–9F–P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR–5907–N–24]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and

surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION:

In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301) 443-2265 (This is not a toll-free number). HHS will mail to the

interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: AIR FORCE: Mr. Robert E. Moriarty, P.E., AFCEC/CI, 2261 Hughes Avenue, Ste. 155, JBSA Lackland TX 78236-9853; ARMY: Ms. Veronica Rines, Office of the Assistant Chief of Staff for Installation Management, Department of Army, Room 5A128, 600 Army Pentagon, Washington, DC 20310, (571) 256-8145 (These are not toll-free numbers).

Dated: June 2, 2016.

Director, Division of Community Assistance, Office of Special Needs Assistance Programs.

Abstract: The Kodiak National Wildlife Refuge has partnered with Utah State University to conduct a public survey of visitors to the Kodiak National Wildlife Refuge who participate in bear viewing at structured and unstructured sites. Questions will address logistical aspects of bear viewing (including the amount of money visitors are willing to spend on viewing and amenities), satisfaction with current experiences (based on number of bears, density of other visitors, length of stay, and education received), and reported changes in attitudes and behavior related to bear conservation based on visitors' experiences on the refuge. Survey results are crucial to understanding public demands for and expectations for bear viewing, so that the refuge can better facilitate bear viewing opportunities and better convey

educational messages on bear management.

Comments Received and Our Responses

On November 3, 2015, we published in the **Federal Register** (80 FR 67784) a notice of our intent to request that OMB approve this information collection. In that notice, we solicited comments for 60 days, ending on January 4, 2016. We received two comments in response to that notice.

Comment: The first comment from an individual protested the entire survey and stated that the national survey conducted across the country every 5 years already contributes to Government overreach and misspending of tax dollars without preserving wildlife.

Response: The National Survey of Fishing, Hunting, and Wildlife-Associated recreation, conducted every 5 years, does not address the Kodiak-specific questions of this study. The proposed study will provide information that allows Kodiak Refuge

Management to make informed decisions on how to facilitate bear viewing in a way that protects bear populations while creating positive educational experiences for visitors.

Comment: The second comment from the State of Alaska's Alaska National Interest Lands Conservation Act (ANILCA) Implementation Program generally supported the proposed information collection to better inform decisionmakers and rejuvenate quality bear viewing on the refuge. The commenter made three suggestions:

- Consult with the Alaska Department of Fish and Game and other stakeholders in the development of the survey.
- Consider surveying all refuge visitors rather than just bear viewers to provide a more holistic view of refuge usage.
- Conduct the survey onsite for higher response rates and more accurate recall among participants.
