VIII. Other Information

The Public Health Service strongly encourages all cooperative agreement and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care, or early childhood development services are provided to children. This is consistent with the HHS mission to protect and advance the physical and mental health of the American people.

Coast Guard

[Docket No. USCG-2016-0445]

Limited Purpose Cooperative Research and Development Agreement—UAS Research With the University of Massachusetts Amherst

AGENCY: Coast Guard, DHS.

ACTION: Notice of intent; request for comments.

SUMMARY: The Coast Guard announces its intent to enter into a cooperative research and development agreement (CRADA) with several companies to evaluate small unmanned aircraft systems (SUAS) and their airborne sensors, to determine their potential for use in a maritime environment by a first responder and DHS operational components. The Coast Guard will conduct flight testing and evaluation of SUAS under a wide variety of simulated but realistic and relevant real-world maritime operational scenarios, such as law enforcement, search and rescue, and maritime environmental response. While the Coast Guard is currently considering partnering with the University of Massachusetts Amherst, it solicits public comment on the possible participation of other parties in the proposed CRADA, and the nature of that participation. The Coast Guard also invites other potential non-Federal participants, who have the interest and capability to bring similar contributions to this type of research, to consider submitting proposals for consideration in similar CRADAs.

DATES: Comments must be submitted to the online docket via <http://www.regulations.gov>, or reach the Docket Management Facility, on or before July 14, 2016.

Synopses of proposals regarding future CRADAs must reach the Coast Guard (see **FOR FURTHER INFORMATION CONTACT**) on or before July 14, 2016.

ADDRESSES: Submit comments using one of the listed methods, and see **SUPPLEMENTARY INFORMATION** for more information on public comments.
