Respondents are Army Family members, Army retirees, DoD civilians, DoD Contractors and authorized DoD personnel who register at Army installation's Morale, Welfare and Recreation (MWR) libraries or other Army libraries in order to check out print, audio-visual, and/or electronic materials. Army MWR libraries collect name, address, phone number, DoD ID number, rank, date of birth, and email address in order to identify individuals authorized to borrow library materials, to ensure that all library property is returned, and the individual's account is cleared. As there are over 500,000 registered borrowers/users in the MWR General Library Information System (GLIS), several identifiers are needed to match the record with the person requesting service. During registration, library borrowers agree to be responsible for replacement or reimbursement for lost or damaged materials borrowed by themselves or authorized Family members using DA Form 7745. If the responsible party does not replace or reimburse the library, AR 735-17 authorizes the library to collect the cost of the item. For service members, the Defense Finance and Accounting Services (DFAS) requires at least the last four numbers of the social security number to collect the debt. Other Army libraries collect less types of personal information for the borrower/user profile such as no SSN or no DoD ID.
