SUPPLEMENTARY INFORMATION:

Title of Collection: Truth in Savings (Regulation DD) 12 CFR 1030.

OMB Control Number: 3170-0004.

Type of Review: Extension without change of a currently approved collection.

Affected Public: Private sector (non-credit union depository institutions).

Estimated Number of Respondents: 129.

Estimated Total Annual Burden Hours: 573,008.

Abstract: Consumers rely on the disclosures required by The Truth in Savings Act (TISA) and Regulation DD to facilitate informed decision-making regarding deposit accounts offered at

depository institutions. Without this information, consumers would be severely hindered in their ability to assess the true costs and terms of the deposit accounts offered. Federal agencies and private litigants use the records to ascertain whether accurate and complete disclosures of depository accounts have been provided to consumers. This information also provides the primary evidence of law violations in TISA enforcement actions brought by the Bureau. Without the Regulation DD recordkeeping requirement, the Bureau's ability to enforce TISA would be significantly impaired.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

SUPPLEMENTARY INFORMATION:
Title: Associated Form; and OMB Number: Library Borrowers'/Users' Profile Files; General Library Information System Registration Form

DA Form 7745; OMB Control Number: 0702-XXXX.

Needs and Uses: The information collection requirement is necessary to identify individuals authorized to borrow library materials from Army libraries; to ensure that all Army library property is returned and individual's account is cleared, and to provide librarian useful information for selecting, ordering, and meeting user requirements; to comply with the Children's Internet Protection Act and to provide authentication for borrowed electronic resources (for example, e-books, e-journals).

Affected Public: Individuals or Households and Federal Government.

Annual Burden Hours: 9,750.

Number of Respondents: 39,000.

Responses per Respondent: 1.

Annual Responses: 39,000.

Average Burden per Response: 15 minutes.

Frequency: One Time.

Respondents are Army Family members, Army retirees, DoD civilians, DoD Contractors and authorized DoD personnel who register at Army installation's Morale, Welfare and Recreation (MWR) libraries or other Army libraries in order to check out print, audio-visual, and/or electronic materials. Army MWR libraries collect name, address, phone number, DoD ID number, rank, date of birth, and email address in order to identify individuals authorized to borrow library materials, to ensure that all library property is returned, and the individual's account is cleared. As there are over 500,000 registered borrowers/users in the MWR General Library Information System (GLIS), several identifiers are needed to match the record with the person requesting service. During registration, library borrowers agree to be responsible for replacement or reimbursement for lost or damaged materials borrowed by themselves or authorized Family members using DA Form 7745. If the responsible party does not replace or reimburse the library, AR 735-17 authorizes the library to collect the cost of the item. For service members, the Defense Finance and Accounting Services (DFAS) requires at least the last four numbers of the social security number to collect the debt. Other Army libraries collect less types of personal information for the borrower/user profile such as no SSN or no DoD ID.
