2 The CFTC had estimated 50 respondents, i.e., registered entities, that would file determinations with the CFTC. 78 FR 33016. Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.

Summary: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Consumer Financial Protection (Bureau) is requesting to renew the Office of Management and Budget (OMB) approval for an existing information collection titled, “Truth in Savings (Regulation DD) 12 CFR 1030.”

Dates: Written comments are encouraged and must be received on or before August 15, 2016 to be assured of consideration.

Addresses: You may submit comments, identified by the title of the information collection, OMB Control Number (see below), and docket number (see above), by any of the following methods:

- Electronic: http://www.regulations.gov. Follow the instructions for submitting comments.

Please note that comments submitted after the comment period will not be accepted. In general, all comments received will become public records, including any personal information provided. Sensitive personal information, such as account numbers or social security numbers, should not be included.

FOR FURTHER INFORMATION CONTACT: Documentation prepared in support of this information collection request is available at www.regulations.gov. Requests for additional information should be directed to the Consumer Financial Protection Bureau, (Attention: PRA Office), 1700 G Street NW., Washington, DC 20552, (202) 435-8575, or email: CFDP_PRA@cfpb.gov. Please do not submit comments to this mailbox.

Supplementary Information: Title of Collection: Truth in Savings (Regulation DD) 12 CFR 1030. OMB Control Number: 3170–0004. Type of Review: Extension without change of a currently approved collection.

Affected Public: Private sector (non-credit union depository institutions).

Estimated Number of Respondents: 129.

Estimated Total Annual Burden Hours: 573,008.

Abstract: Consumers rely on the disclosures required by Truth in Savings Act (TISA) and Regulation DD to facilitate informed decision-making regarding deposit accounts offered at depository institutions. Without this information, consumers would be severely hindered in their ability to assess the true costs and terms of the deposit accounts offered. Federal agencies and private litigants use the records to ascertain whether accurate and complete disclosures of depository accounts have been provided to consumers. This information also provides the primary evidence of law violations in TISA enforcement actions brought by the Bureau. Without the Regulation DD recordkeeping requirement, the Bureau’s ability to enforce TISA would be significantly impaired.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: June 7, 2016.
