

use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection: This collection of information is under the provisions of the Mutual Educational and Cultural Exchange Act, as amended, and the Exchange Visitor Program regulations (22 CFR part 62), as applicable. The information collected will be used by the Department to ascertain whether there are any issues that would affect the safety and well-being of exchange program participants.

Methodology: The survey will be sent electronically via the Survey Monkey tool and responses collected electronically. If a respondent requests a paper version of the survey it will be provided.

Additional information: Form SV2012-0010 (OMB Control Number 1405-0210) is being discontinued. It was intended to serve as a survey for American students overseas but it was never used and will not be used in the future.

Dated: June 9, 2016.

Bruce Armstrong,

Director, Office of Citizen Exchanges, Bureau of Educational and Cultural Affairs, Department of State.

BILLING CODE 4710-05-P

SURFACE TRANSPORTATION BOARD

[Docket No. AB 33 (Sub-No. 331X)]

Union Pacific Railroad Company—Discontinuance of Trackage Rights Exemption—in Pierce County, Wash.

Union Pacific Railroad Company (UP) has filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments and Discontinuances of Service* to discontinue approximately 0.6 miles of overhead trackage rights over a line of railroad of BNSF Railway Company (BNSF), between “Bullfrog Junction” near BNSF’s Puyallup River Bridge 8.78 and the point of connection with BNSF’s Seattle Division main line at River Street Interlocking, BNSF milepost 38.94X, in Tacoma, Wash. (the Line).¹ The Line traverses United States Postal Service Zip Code 98421.

UP has certified that (1) no local traffic has moved over the Line for at least two years; (2) any overhead traffic can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service on the Line is pending either with the Board or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the discontinuance shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) to subsidize continued rail service has been received, this exemption will be effective on July 16, 2016, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues and formal expressions of intent to file an OFA to subsidize continued rail service under 49 CFR 1152.27(c)(2)² must be filed by June 27, 2016.³ Petitions to reopen must be filed by July 6, 2016, with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to UP’s representative: Jeremy M. Berman, 1400 Douglas St., #1580, Omaha, NE 68179.

If the verified notice contains false or misleading information, the exemption is void ab initio.

Board decisions and notices are available on our Web site at “WWW.STB.DOT.GOV.”

Decided: June 13, 2016.

BNSF Ry., FD 34881 (STB served June 20, 2006). UP states that BNSF terminated the trackage rights agreement effective May 30, 2016.

² Each OFA must be accompanied by the filing fee, which currently is set at \$1,600. See 49 CFR 1002.2(f)(25).

³ Because this is a discontinued proceeding and not an abandonment, interim trail use/rail banking and public use conditions are not appropriate. Because there will be an environmental review during abandonment, this discontinuance does not require an environmental review.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Brendetta S. Jones,
Clearance Clerk.
