Notice of Extension of Request for Public Comment Regarding Revising the List of Products Requiring Federal Contractor Certification as to Forced or Indentured Child Labor Pursuant to Executive Order 13126

AGENCY: Bureau of International Labor Affairs, Department of Labor.

ACTION: Request for comments.

SUMMARY: This notice reopens and extends the period for comments on the Notice of Initial Determination published in the **Federal Register** on December 2, 2014, proposing to add carpets from India to the List of Products Requiring Federal Contractor Certification as to Forced or Indentured Child Labor (the EO List) (77 FR 59418). The EO List is required by Executive Order 13126 (Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor), and is developed in accordance with the "Procedural Guidelines for the Maintenance of the List of Products Requiring Federal Contractor Certification as to Forced or Indentured Child Labor Under 48 CFR Subpart 22.15 and E.O. 13126." The EO List identifies products, by their country of origin, that the Department of Labor, in consultation and cooperation with the Departments of State and Homeland Security (collectively, the Departments), has a reasonable basis to believe might have been mined, produced or manufactured by forced or indentured child labor. In addition to proposing to add a one new item, carpets from India, to the EO List, the initial determination invited comments from the public.
