DEPARTMENT OF COMMERCE

International Trade Administration

North American Free Trade Agreement, Article 1904, Request for Panel Review

AGENCY: United States Section, NAFTA Secretariat, International Trade Administration, Department of Commerce.

ACTION: Notice of Request for Panel Review.

SUMMARY: A Request for Panel Review was filed on behalf of Selenis Canada, Inc. with the United States Section of the North American Free Trade Agreement (NAFTA) Secretariat on June 6, 2016 pursuant to NAFTA Article 1904. Panel Review was requested of the International Trade Commission's final determination regarding Polyethylene Terephthalate Resin from Canada. The final injury determination was published in the **Federal Register** on May 4, 2016 (81 FRN 26832) and the effective antidumping order was published in the **Federal Register** on May 6, 2016 (81 FRN 27929). The NAFTA Secretariat has assigned case number USA-CDA-2016-1904-01 to this request.

FOR FURTHER INFORMATION CONTACT: Paul E. Morris, United States Secretary, NAFTA Secretariat, Room 2061, 1401 Constitution Avenue NW., Washington, DC 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the NAFTA established a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for

Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms to the antidumping or countervailing duty law of the country that made the determination.

Under NAFTA Article 1904, which came into force on January 1, 1994, the Government of the United States, the Government of Canada, and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686) and subsequently amended on April 10, 2008 (73 FR 19458).

The Rules provide that:

(a) A Party or interested person may challenge the final determination in whole or in part by filing a Complaint in accordance with Rule 39 within 30 days after the filing of the first Request for Panel Review (the deadline for filing a Complaint is July 6, 2016);

(b) A Party, investigating authority or interested person that does not file a Complaint but that intends to appear in support of any reviewable portion of the final determination may participate in the panel review by filing a Notice of Appearance in accordance with Rule 40 within 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is July 21, 2016); and

(c) The panel review shall be limited to the allegations of error of fact or law, including challenges to the jurisdiction of the investigating authority, that are set out in the Complaints filed in the panel review and to the procedural and substantive defenses raised in the panel review.

Dated: June 13, 2016.

Paul E. Morris,

United States Secretary, NAFTA Secretariat.

Diffusion-Annealed, Nickel-Plated Flat-Rolled Steel Products From Japan: Preliminary Results of Antidumping Duty Administrative Review; 2013-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an

administrative review of the antidumping duty order on diffusion-annealed, nickel-plated flat-rolled steel products from Japan.¹ The period of review (POR) is November 19, 2013, through April 30, 2015. The review covers one producer/exporter of the subject merchandise, Toyo Kohan Co., Ltd. (Toyo Kohan). We preliminarily determine that sales of subject merchandise by Toyo Kohan were not made at less than normal value during the POR. Interested parties are invited to comment on these preliminary results.

DATES: Effective June 17, 2016.

FOR FURTHER INFORMATION CONTACT: Dena Crossland or Brian Davis, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3362 or (202) 482-7924, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The diffusion-annealed, nickel-plated flat-rolled steel products included in this order are flat-rolled, cold-reduced steel products, regardless of chemistry; whether or not in coils; either plated or coated with nickel or nickel-based alloys and subsequently annealed (*i.e.*, "diffusion-annealed"); whether or not painted, varnished or coated with plastics or other metallic or nonmetallic substances; and less than or equal to 2.0 mm in nominal thickness. For purposes of this order, "nickel-based alloys" include all nickel alloys with other metals in which nickel accounts for at least 80 percent of the alloy by volume.

Imports of merchandise included in the scope of this order are classified primarily under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7212.50.0000 and 7210.90.6000, but may also be classified under HTSUS subheadings 7210.70.6090, 7212.40.1000, 7212.40.5000, 7219.90.0020, 7219.90.0025, 7219.90.0060, 7219.90.0080, 7220.90.0010, 7220.90.0015, 7225.99.0090, or 7226.99.0180. The foregoing HTSUS subheadings are provided only for convenience and customs purposes. The written description of the scope of this order is dispositive.

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 80 FR 37588 (July 1, 2015).
