#### SUPPLEMENTARY INFORMATION:

*OMB Number:* 3133-0004.

*Title:* NCUA Call Report and Profile.

*Form:* NCUA Forms 5300 and 4501A.

*Abstract:* Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions to make financial reports to the NCUA. Section 741.6 prescribes the method in which federally insured credit unions must submit this information to NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data and NCUA Form 4501A, Credit Union Profile, is used to obtain non-financial data relevant to regulation and supervision such as the names of senior management and volunteer officials, and are reported through NCUA's online portal, Credit Unions Online.

This information collection is being revised to remove data elements associated with the reporting of Credit Union Service Organizations (CUSO). In early 2016, reporting of CUSOs was conducted separately from the Call

Report and Profile through the new CUSO Registry portal (OMB No. 3133-0149). To eliminate duplicate reporting and reduce the burden associated with this collection, NCUA is removing the CUSO identification section from the Call Report and reporting of CUSO usage from the Profile.

*Type of Review:* Revision of a previously approved collection.

*Affected Public:* Private Sector: Not-for-profit institutions.

*Estimated Number of Respondents:* 6,021.

*Estimated Number of Responses per Respondent:* 4.

*Estimated Annual Responses:* 24,084.

All comments will become a matter of public record. The public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.
