Titles: Veterans Affairs Acquisition Regulation (VAAR) Clause 852.211-70, Service Data Manual.

OMB Control Number: 2900-0587.

Type of Review: Extension without change of a previously approved collection.

Abstract: VAAR clause 852.211-70 is used when VA purchases technical medical equipment and devices or mechanical equipment. The clause requires the contractor to furnish both operator's manuals and maintenance/repair manuals with the equipment provided to the Government. This clause sets forth those requirements and sets forth the minimum standards those manuals must meet to be acceptable. Generally, this is the same operator's manual furnished with each piece of equipment sold to the general public and the same repair manual used by company technicians in repairing the company's equipment. The cost of the
