SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Walking-Working Surfaces Standard information collection requirements codified in regulations 29 CFR part 1910, subpart D. The information collection requirements in the Standard protect workers by making them aware of load limits of the floors of buildings, defective portable metal ladders, and the specifications of outrigger scaffolds used. Specifically, regulations 29 CFR 1910.22(d)(1) requires that in every building or other structure, or part thereof, used for mercantile, business, industrial, or storage purposes, the loads approved by the building official be marked on plates of approved design that shall be supplied and securely affixed by the owner of the building, or a duly authorized agent, in a conspicuous place in each space to which they relate. Such plates shall not be removed or defaced but, if lost, removed, or defaced, shall be replaced by the owner or his agent. Under section 1910.26(c)(2)(vii), portable metal ladders having defects must be marked and taken out of service until repaired by either the maintenance department or the manufacturer. Section 1910.28(e)(3) specifies that, unless outrigger scaffolds are designed by a licensed professional engineer, they

shall be constructed and erected in accordance with table D-16 of the section. It is mandatory that a copy of the detailed drawings and specifications showing the sizes and spacing of members be kept on the job. Occupational Safety and Health Act of 1970 sections 2(b)(9), 6(b)(7), and 8(c) authorize this information collection. See 29 U.S.C. 651(b)(9), 655(b)(7) and 657(c).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0199.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on June 30, 2016. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 2, 2016 (81 FR 10918).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1218-0199. The OMB is particularly interested in comments that:

SUPPLEMENTARY INFORMATION:

I. Background

The Chief Evaluation Office (CEO), U.S. Department of Labor (DOL), is proposing a data collection activity as part of the Cascades Job Corps College and Career Academy Evaluation Pilot Evaluation. The goal of the evaluation is to determine the effectiveness of the Pilot program in improving employment and educational outcomes for youth ages 21 and under. The impact study will randomly assign individuals to receive program services or to a group that cannot access these services but who can participate in other similar programs. The impact study will compare the employment and educational outcomes of the groups to

determine the effectiveness of the pilot program. The evaluation also includes an implementation study that will describe the services participants receive through the pilot program as well as provide operational lessons.

This **Federal Register** Notice provides the opportunity to comment on three proposed new information collection activities for the Cascades Job Corps College and Career Academy Evaluation Pilot Evaluation: (1) A baseline survey of sample members in the evaluation, administered at the time of application to the program; and (2) discussion guides for in-person or phone interviews with Cascades staff, leadership in other Job Corps sites, employers, other program partners, and Cascades participants; and (3) postcards mailed to sample members in the evaluation to request address updates.

The baseline survey and discussion guides will provide vital data for the evaluation. The postcards will provide the evaluation with accurate locating information for sample members and thereby improve response rates for the follow-on survey.

II. Review Focus

DOL is soliciting comments concerning the above data collection for the Cascades Job Corps College and Career Academy Pilot Evaluation. DOL is particularly interested in comments that do the following:

- Evaluate whether the proposed collection of information is necessary for the proper performance functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's burden estimate of the proposed information collection, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (for example, permitting electronic submissions of responses).

III. Current Actions

DOL is requesting clearance for the baseline survey of sample members, discussion guides for stakeholder interviews, and postcards mailed to sample members of the Cascades Job Corps College and Career Academy Pilot Evaluation.
