

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****Notice of Request To Release Airport Property**

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of intent to rule on request to release airport property at Waterloo Regional Airport, Waterloo, Iowa. (ALO)

SUMMARY: The FAA proposes to rule and invites public comment on the release of land at Waterloo Regional Airport, Waterloo, Iowa, under the provisions of 49 U.S.C. 47107(h)(2).

DATES: Comments must be received on or before August 4, 2016.

ADDRESSES: Comments on this application may be mailed or delivered to the FAA at the following address: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: Keith Kaspari, Director of Aviation, 2790 Livingston Ln., Waterloo, IA 50703, (319) 291-4483.

FOR FURTHER INFORMATION CONTACT: Lynn D. Martin, Airports Compliance Specialist, Federal Aviation Administration, Airports Division, ACE-610C, 901 Locust Room 364, Kansas City, MO 64106, (816) 329-2644, lynn.martin@faa.gov.

The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 0.91± acres of airport property at Waterloo Regional Airport (ALO) under the provisions of 49 U.S.C. 47107(h)(2). On March 29, 2016, the Director of Aviation at Waterloo Regional Airport requested from the FAA that approximately 0.91± acres of property be released for sale to Standard Forwarding for an addition to their trucking business consistent with the zoning ordinances of the City. On June 24, 2016, the FAA determined that the request to release property at Waterloo Regional Airport (ALO) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner

than thirty days after the publication of this notice.

The following is a brief overview of the request:

The Waterloo Regional Airport (ALO) is proposing the release of airport property totaling 0.91 acres, more or less. This land is to be used for an addition to the Standard Forwarding Company. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at Waterloo Regional Airport (ALO) being changed from aeronautical to non-aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property, which will be subsequently reinvested in another eligible airport improvement project for general aviation facilities at Waterloo Regional Airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT**. In addition, any person may, upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at Waterloo Regional Airport.

Issued in Kansas City, MO on June 24, 2016.

Jim A. Johnson,
Manager, Airports Division.

[Docket No. FMCSA–2014–0111]

Hours of Service of Drivers: Application for Renewal of Exemptions From the 14-Hour Rule During Independence Day Celebrations for Illumination Fireworks, LLC and ACE Pyro, LLC

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition; granting of renewal.

SUMMARY: FMCSA announces its decision to grant exemption renewals to Illumination Fireworks, LLC and ACE Pyro, LLC (the applicants) from the prohibition on driving commercial motor vehicles (CMVs) after the 14th hour after coming on duty. The applicants requested the exemption renewals for the period of June 28–July 8, for the next 5 years (2016–2020 inclusive). The applicants were previously granted exemptions during the Independence Day periods of 2014 and 2015. The 5-year renewals will cover the drivers of approximately 50 CMVs employed by the applicants to stage fireworks shows celebrating Independence Day. The Agency has determined that the terms and conditions of the limited exemptions will ensure a level of safety equivalent

to, or greater than, the level of safety achieved without the exemptions.

DATES: These exemptions are effective during the periods of June 28 through July 8, 2016 through 2020.

II. Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315 to grant exemptions from certain parts of the Federal Motor Carrier Safety Regulations. FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including any safety analyses that have been conducted. The Agency must also provide an opportunity for public comment on the request.

The Agency reviews safety analyses and public comments submitted, and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305).
