RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

Summary: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. *Title and purpose of information collection:* Medical Reports; OMB 3220–0038. Under sections 2(a)(1)(iv) and 2(a)(1)(v) of the Railroad Retirement Act (RRA), annuities are payable to qualified railroad employees whose physical or mental condition makes them unable to (1) work in their regular occupation (occupational disability) or (2) work at all (total disability). The requirements

for establishing disability and proof of continuing disability under the RRA are prescribed in 20 CFR 220.

Annuities are also payable to (1) qualified spouses and widow(ers) under sections 2(c)(1)(ii)(C) and 2(d)(1)(ii) of the RRA who have a qualifying child who became disabled before age 22; (2) surviving children on the basis of disability under section 2(d)(1)(iii)(C), if the child's disability began before age 22; and (3) widow(ers) on the basis of disability under section 2(d)(1)(i)(B). To meet the disability standard, the RRA provides that individuals must have a permanent physical or mental condition that makes them unable to engage in any regular employment.

Under section 2(d)(1)(v) of the RRA, annuities are also payable to remarried widow(ers) and surviving divorced spouses on the basis of, among other things, disability or having a qualifying disabled child in care. However, the disability standard in these cases is that found in the Social Security Act. That

is, individuals must be unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment. The RRB also determines entitlement to a Period of Disability and entitlement to early Medicare based on disability for qualified claimants in accordance with Section 216 of the Social Security Act.

When making disability determinations, the RRB needs evidence from acceptable medical sources. The RRB currently utilizes Forms G-3EMP, Report of Medical Condition by Employer; G-197, Authorization to Disclose Information to the Railroad Retirement Board; G-250, Medical Assessment; G-250A, Medical Assessment of Residual Functional Capacity; G-260, Report of Seizure Disorder; RL-11B, Disclosure of Hospital Medical Records; RL-11D, Disclosure of Medical Records from a State Agency; and RL-250, Request for Medical Assessment, to obtain the

necessary medical evidence. The RRB proposes no revisions to these forms.

In support of the RRB's Disability Program Improvement Project to enhance/improve disability case processing and overall program integrity, the RRB proposes the addition of proposed Form RL-11D1, Request for Medical Evidence from Employers, to the information collection. Form RL-11D1 will be mailed by an RRB field office to railroad and nonrailroad employers to obtain any medical evidence regarding the employee's disability that they may have acquired within the last 18 months. A copy of the employee signed Form G-197 will be enclosed with the RL-11D1. The employer will return the RL-11D1 to RRB Headquarters certifying that they either have submitted the requested medical evidence or that they have no medical evidence to submit. One response is requested of each respondent. Completion is voluntary.

ESTIMATE OF ANNUAL RESPONDENT BURDEN

Form No.	Annual responses	Time (minutes)	Burden (hours)
G-3EMP	600	10	100
G-197	6,000	10	1,000
G-250	11,950	30	5,975
G-250A	50	20	17
G-260	100	25	42
RL-11B	5,000	10	833
RL-11D	250	10	42
RL-11D1	600	20	200
RL-250	11,950	10	1,992
Total	36,500		10,201

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, contact Dana Hickman at (312) 751-4981 or Dana.Hickman@RRB.GOV. Comments regarding the information collection should be addressed to Charles Mierzwa, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092 or emailed to Charles.Mierzwa@RRB.GOV. Written comments should be received within 60 days of this notice.

Charles Mierzwa,
Chief of Information Resources Management.

OFFICE OF SCIENCE AND TECHNOLOGY POLICY

Public Comment on an Annotated Outline for the Fourth National Climate Assessment

ACTION: Notice of request for public comment.

SUMMARY: With this notice, The U.S. Global Change Research Program (USGCRP) seeks public comment on the proposed content and scope of the Fourth National Climate Assessment (NCA4) as indicated by the draft outline presented here. A Request for Information in 2015 sought public input on the sustained National Climate Assessment (NCA) process more generally (80 FR 26105, <https://federalregister.gov/a/2015-10352>). The outline for NCA4 is informed by that previously received public input.

General topics on which public comment is requested, in addition to the

proposed outline, include: (1) Ways to make the assessment information accessible and useful to multiple audiences; (2) the specific types of detailed information at regional scales that would be most useful; (3) suggestions for how to best describe risks and impacts, as well as potential opportunities to reduce those risks and impacts on sectors of the economy as well as natural and social systems; (4) suggestions for new approaches to topics addressed in previous assessments; and (5) suggestions regarding overarching themes that NCA4 should consider addressing.

A call for author nominations and technical inputs may soon be posted in one or more subsequent **Federal Register** Notices. A draft of NCA4 will also be released for public comment prior to its final release. Background information, additional details, and instructions for submitting comments can be found at www.globalchange.gov/
