Assessment Rates

Upon issuance of the final results of this administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212. The Department intends to issue assessment instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 7.30 percent, the all-others rate determined in the less than fair value investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping

and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: As a result of these sunset reviews, the Department of Commerce (the Department) finds that revocation of the antidumping duty (AD) orders would be likely to lead to continuation or recurrence of dumping at the dumping margins identified in the "Final Results of Reviews" section of this notice.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2016, the Department published the notice of initiation of the sunset reviews of the AD Orders¹ on certain frozen warmwater shrimp from Brazil, India, the People's Republic of China (PRC), and Thailand, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On March 8, 2016, and March 16, 2016, respectively, the Ad Hoc Shrimp Trade Action Committee (AHSTAC (petitioner in the underlying investigation)) and the American Shrimp Processors Association (ASPA) notified the Department of their intent to participate within the 15-day period specified in 19 CFR 351.218(d)(1)(i).³ AHSTAC claimed interested party status under section 771(9)(C) of the Act stating that its individual members are each producers in the United States of a domestic like product. ASPA claimed interested party status under section 771(9)(E) of the Act stating that it is a trade association, the majority of whose members are producers and/or processors of a

² See *Initiation of Five-Year ("Sunset") Review*, 81 FR 10578 (March 1, 2016) (*Notice of Initiation*). The *Notice of Initiation* also announced the initiation of the sunset review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam. However, the results of that sunset review will be discussed within a separate **Federal Register** notice in the context of a full sunset review in that case.

³ See AHSTAC March 8, 2016, submission "Second Sunset Review of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp from Brazil, India, Thailand, the People's Republic of China and the Socialist Republic of Vietnam: Entry of Appearance, Notice of Intent to Participate in Review and APO Application." domestic like product in the United States.

On March 29 and 31, 2016, respectively, the Department received complete substantive responses to the *Notice of Initiation* from AHSTAC⁴ and from ASPA⁵ (collectively, domestic interested parties) within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no substantive responses from respondent interested parties with respect to the orders on certain frozen warmwater shrimp from Brazil, India, the PRC, or Thailand, nor was a hearing requested. As a result, pursuant to 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted expedited (120-day) sunset reviews of the AD *Orders* on certain frozen warmwater shrimp from Brazil, India, the PRC, and Thailand.

Scope of the Orders

The products covered by the *Orders* include certain frozen warmwater shrimp and prawns whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,⁶ deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the *Orders*, regardless of definitions in the Harmonized Tariff Schedule of the United States (HTSUS), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the Penaeidae family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus*

merguiensis), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*), and Indian white prawn (*Penaeus indicus*).

Frozen shrimp and prawns that are packed with marinade, spices or sauce are included in the scope of the *Orders*. In addition, food preparations, which are not “prepared meals,” that contain more than 20 percent by weight of shrimp or prawn are also included in the scope of the orders.

Excluded from the *Orders* are: (1) Breaded shrimp and prawns (HTSUS subheading 1605.20.10.20); (2) shrimp and prawns generally classified in the *Pandalidae* family and commonly referred to as coldwater shrimp, in any state of processing; (3) fresh shrimp and prawns whether shell-on or peeled (HTSUS subheadings 0306.23.00.20 and 0306.23.00.40); (4) shrimp and prawns in prepared meals (HTSUS subheading 1605.20.05.10); (5) dried shrimp and prawns; (6) canned warmwater shrimp and prawns (HTSUS subheading 1605.20.10.40); (7) certain dusted shrimp; and (8) certain battered shrimp. Dusted shrimp is a shrimp-based product: (1) That is produced from fresh (or thawed-from-frozen) and peeled shrimp; (2) to which a “dusting” layer of rice or wheat flour of at least 95 percent purity has been applied; (3) with the entire surface of the shrimp flesh thoroughly and evenly coated with the flour; (4) with the non-shrimp content of the end product constituting between four and 10 percent of the product’s total weight after being dusted, but prior to being frozen; and (5) that is subjected to IQF freezing immediately after application of the dusting layer. Battered shrimp is a shrimp-based product that, when dusted in accordance with the definition of dusting above, is coated with a wet viscous layer containing egg and/or milk, and par-fried.

The products covered by the *Orders* are currently classified under the following HTSUS subheadings: 0306.13.00.03, 0306.13.00.06, 0306.13.00.09, 0306.13.00.12, 0306.13.00.15, 0306.13.00.18, 0306.13.00.21, 0306.13.00.24, 0306.13.00.27, 0306.13.00.40, 1605.20.10.10, and 1605.20.10.30. These HTSUS subheadings are provided for

convenience and for customs purposes only and are not dispositive, but rather the written description of the scope of the orders is dispositive. The Issues and Decision Memorandum, which is hereby adopted by this notice, provides a full description of the scope of the *Orders*.⁷

Analysis of Comments Received

A complete discussion of all issues raised in these reviews is provided in the accompanying Issues and Decision Memorandum. The issues discussed in the Issues and Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the *Orders* were revoked. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed at <http://enforcement.trade.gov/frn/>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

Final Results of Reviews

Pursuant to sections 751(c)(1) and 752(c)(1) and (3) of the Act, the Department determines that revocation of the AD *Orders* on certain frozen warmwater shrimp from Brazil, India, the PRC, and Thailand would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average margins up to 67.80 percent for Brazil, up to 110.90 percent for India, up to 112.81 percent for the PRC, and up to 5.34 percent for Thailand.

SUPPLEMENTARY INFORMATION:

Background

On March 3, 2016, the Department of Commerce (Department) initiated an antidumping duty (AD) investigation of imports of stainless steel sheet and strip from the People's Republic of China.¹ The notice of initiation stated that, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.205(b)(1), we would issue our preliminary determination no later than 140 days after the date of initiation, unless postponed. ¹ See *Stainless Steel Sheet and Strip From the People's Republic of China: Initiation of Less Than Fair Value Investigations*, 81 FR 12711 (March 10, 2016).

Postponement of Preliminary Determinations

Sections 733(c)(1)(B)(i) and (ii) of the Act permit the Department to postpone the time limit for the preliminary determination if it concludes that the parties concerned are cooperating and determines that the case is extraordinarily complicated by reason of the number and complexity of the transactions to be investigated or adjustments to be considered, the novelty of the issues presented, or the number of firms whose activities must be investigated, and additional time is necessary to make the preliminary determination. Under this section of the Act, the Department may postpone the preliminary determination until no later than 190 days after the date on which the Department initiated the investigation.

The Department determines that the parties involved in this investigation are cooperating, and that the investigation is extraordinarily complicated. Additional time is required to analyze the questionnaire responses and issue any appropriate requests for clarification and additional information.

Therefore, in accordance with section 733(c)(1)(B) of the Act and 19 CFR 351.205(f)(1), the Department is postponing the time period for the preliminary determination of this investigation by 50 days, to September 9, 2016. Pursuant to section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).
